Reminders for First Days of *Sukkos* – 5778

[May not be posted on any internet website without prior consent from the author]

Experience has shown that it is best if both husband and wife review this each day thoroughly so that miscommunications and last-minute panics can be avoided, and Yom Tov can be truly celebrated joyfully.
Please post this on the refrigerator or another central location.

Wishing you a true Simchas Yom Tov, which we will celebrate in the Bais Hamikdosh Hashlishi

* * * *

A few days before Yom Tov:

1. **Sukkah:** Ensure that the *Sukkah* is properly prepared.
2. **Daled Minim:** ascertain that the father bought the *Daled Minim* (*Lulav, Esrog, Hadasim* and *Arovois*). Some buy a kosher set also for the children. [As this year there is a shortage, and perhaps you didn't manage to get an *Esrog*, make sure to arrange with someone that has *Daled Minim* that you can share it with him].
3. **Eiruv Chatzeiros prior to Yom Tov:** If it's necessary (example: a two-family house, apartment building etc.) ensure that you have an *Eiruv Chatzeiros* in place which allows to carry things from the house to the *Sukkah* on Shabbos. If you are unsure – check with the *Rov* BEFORE *Yomtov* and don't wait for the last minute. This year it needs to be arranged **prior to Yom Tov**.
4. **Netilas Yodayim:** Ensure that there is a place to wash for *Netilas Yodayim* near the *Sukkah*.
5. **Long-lasting candles** (like *Yohrzeit licht*) – If one does not have a gas fire lit for the duration of *Yom Tov*, buy 2 *Yohrzeit Licht* (or one *Licht* that lasts several days) that will last for a minimum of 26 hours each, in order to be able to light candles the second night of *Yom Tov* and Friday evening etc. Those who plan to have a gas fire lit and have hired help should anyway light a *Licht* as a precaution because sometimes the helper turns off the gas flame.... [at the same time you may as well buy these candles also for the last days].
6. **Honey:** Ensure that there is honey to be used for *Hamotzie*.
7. **Candles holders:** Those that use glass holders for their candles (that must be cleaned before each use) should make sure to have enough clean holders to last for **three** nights of *Yom Tov* and *Shabbos*.
8. **Carbon monoxide detector:** Those who have the gas on for a prolonged time during *YomTov* should ensure that they have proper ventilation and that they have a proper carbon monoxide alarm system in place. Make sure to test it a couple of days before *YomTov*.

Reminders for the first days of Sukkos 5778 – Rabbi Levi Y. Garelik

9. **Tzedaka:** We add in giving *Tzedaka*- especially to those who need necessities for *Yom Tov*, just like *Maos Chitim* for *Pesach*.

י"ג תשרי - Tuesday - *Yom Hahilula* of the Rebbe Maharash – *Lechatchila Ariber*.

* The Rebbe *farbrenged* many times on this day in the evening.

Erev Sukkos- Wednesday

- Ensure that all matters listed above were taken care of.
- **Daled Minim:** On *Erev Yom Tov*, the father puts together his *Lulav*, if possible in the *Sukkah* (the Rebbe use to do it in the afternoon), and checks to see if anything else needs to be fixed in the *Sukkah*.
- **Tzedaka:** Prepare a triple amount of *Tzedaka* to be given before candle lighting for two days of *YomTov* and *Shabbos*.
- **Shabbos clock:** Make sure that the *Shabbos clock* is set for both days of *Yom Tov* and *Shabbos*.

Eruv Tavshilin:

DON'T FORGET TO MAKE AN EIRUV TAVSHILIN ON EREV YOM TOV!!

Take a whole *challah* (or *Matza*) and a “*kezayis*” of a cooked item like fish or meat. Hand this to someone (older than *Bar Mitzva*) who is NOT a member of the household, and do the procedure and say the *Nusach* that is written in the *Siddur*.

Put the *Eiruv* aside until *Shabbos* when it should be eaten (see below).

Reminder: The *Eiruv Tavshilin* is not only for cooking from *Yom Tov* to *Shabbos*, but also for lighting candles on Friday evening. Therefore, even those who are not cooking or eating at home, but are lighting candles at home Friday evening, should make an *Eiruv Tavshilin* and if possible, they should prepare (at least) water on a *Blech* or *Plata*. If they do not put anything on a *Blech* or *Plata* – they should make an *Eiruv* without the *Brocho*.

Eiruv Chatzeiros prior to Yom Tov:

As mentioned above, if it's necessary (example: a two-family house, apartment building etc.) ensure that you have an *Eiruv Chatzeiros* in place which allows to carry things from the house to the *Sukkah* on *Shabbos*. If you are unsure – check with the *Rov* BEFORE *Yomtov* and don't wait for the last minute. This year it needs to be arranged **prior to Yom Tov**.

First evening of *Yom Tov* – Wednesday evening

When *Yom Tov* begins:

1. If there will not be a gas fire lit throughout *Yom Tov*, light the long lasting candle.

Reminders for the first days of Sukkos 5778 – Rabbi Levi Y. Garelik

2. Candle lighting time is 18 (or 23) minutes before *Shkiah* (check local calendar). If it is possible, the candles should be lit in the *Sukkah* (at least two of them). If one missed the proper time, they can light them later but only from a pre-existing fire.
3. **Those that are eating elsewhere should not forget to light candles!**
4. Tzedaka is given for **three** days - two days of *Yom Tov* and *Shabbos*.
5. The two *Brochois* said are: **1.** של יום טוב and **2.** שהחיינו.

Maariv:

- We begin from שיר המעלות.
- We say the *Amidah* for *Sholosh Regolim*.

Kiddush and the Seuda:

Ushpizin - guests: *Ushpizin* for tonight (and tomorrow, the first day of *Yom Tov*) are *Avraham Avinu* and the *Baal Shem Tov*. [Their commonality is that they both spread *Elokus* in the world].

1. Similar to the first night of *Pesach*, we begin the meal after nightfall (check local calendar), and make sure to eat a *kezayis* before midnight (check local calendar).
2. We eat in the *Sukkah*. Women are allowed, but not obligated, to eat in the *Sukkah* and they may say the *Bracha* לישב בסוכה.
3. Boys who are not dependent on their mothers should eat in the *Sukkah*. (This is usually from age 6. If he is smart and mature, this can be even younger.) If the mother sees that the boy is eating in the house, she does not need to reprimand him.
4. [Those who are *Yotzey Kiddush* from someone else (from their father, husband, host etc.), seemingly, should have in mind not to be *Yotzey* on his *Brocho* of לישב בסוכה, rather they say it themselves after they recite המוציא. This pertains to all the meals].
5. **Kiddush:** The order is: אתקינו then בורא פרי הגפן then קידוש and then we **look at the s'chach** and say לישב בסוכה, after which we say שהחיינו. (A woman who makes *Kiddush* does not say שהחיינו because she already said it at candle lighting).
6. We dip the *Challah* in honey. (Salt is also placed on the table. Some *Chassidim* relate that the Rebbe would, during the meal, dip 3 pieces of *Challah* in salt.).
7. In *Birchas Hamazon* we add:
 - ברוך... אשר (If one forgot but did not yet say "Boruch" of the next *Brocho*, then he says אשר... נתן. (as written in the *siddur*). However, if he already began the next *Bracha* by saying "Boruch" he returns to the beginning of *Birchas Hamazon*.)
 - We also add: *Harachaman* for *Yom Tov* and *Harachaman* for *Sukkos*.

Simchas Beis Hasho'eva

The *Simcha* and celebration of *Simchas Beis Hasho'eva* begins from the first night of *Sukkos*.

ט"ו תשרי Thursday – The First Day of Yom Tov

1. We don't eat before *benching* on the *Lulav*, and healthier people don't taste or drink anything.
2. In the morning we get up early [we go to the *Mikva*] in order to *bentch* on the *Lulav* and the מ"ד מינים. Preferably this should be done in the *Sukkah*, if not - we can *bentch* in the house.

Reminders for the first days of Sukkos 5778 – Rabbi Levi Y. Garelik

3. [I recall hearing that the Rebbe once said that after bentsching on the Lulav, one should eat some Mezonos and make a Leishev BaSukkah, (which can also be connected to the Netilas Lulav). Therefore, it's advisable to prepare this prior to Benching on the Lulav].
4. Stand facing מזרח, take the Lulav in your right hand, the spine of the Lulav facing you, and make the Brocho על נטילת לולב. Then take the Esrog in your left hand and say שהחיינו. At the end of the Brocho put them together and shake them to the six directions.
5. One, who is left-handed, takes the Lulav in his left hand and the Esrog in his right.
6. On the first two days of Sukkos, first the father makes the blessing on the Lulav. If he later gives it to his wife and children above Bar/Bas Mitzva, he has to say to them that he gives it "Matono Al Mnas Lehachzir" (-a gift with the condition that it be returned). To the children below Bar/Bas Mitzva (if they do not have a set of their own) he loans it to them for educational purposes.
7. Women shake the Lulav only once (and they do not do the "Naanuim" - shaking of the Lulav in 6 directions).

Davening

1. Arrange that the children should go to shul for Birchas Kohanim towards the end of Musaf.
2. After the Amidah for Sholosh Regolim we say the entire Hallel, Hoshanos [Krias Hatorah, Maftir] and Musaf of Sholosh Regolim.

Kidush and the meal

1. **Kiddush:** אתקינו then אלה מועדי then בורא פרי הגפן then (look to the S'chach and say) לישב בסוכה.
2. We dip the Challah into honey. (Salt is also placed on the table.)
3. In Birchas Hamozoin we add:
 - ברוך... אשר (if one forgot but did not yet say "Boruch" of the next Brocho, then he says אשר... ברוך... נתן...".) (as printed in the sidur). However, if he already began the next Brocho by saying "Boruch" he returns to the beginning of Birchas Hamozoin
 - We also add: Horachamon for Yom Tov and Horachamon for Sukkos.

During the Day

- * We go on Mivtzah Lulav to encourage as many Yidden as possible to do the Mitzvah.
- * One may not prepare on the first day of Yom Tov for the second day or evening of Yom Tov nor for Shabbos. All preparations must begin after nightfall (see local calendar).

- **Only light from a pre-existing flame!**
- The two *Brochos* said are: 1. של יום טוב 2. שהחיינו

Kiddush and the evening Seuda

Ushpizin: *Ushpizin* tonight (and tomorrow, the second day of *Yom Tov*) are *Yitzchok Avinu* and the *Mezritcher Maggid*. [Their commonality is that they both remained in their place of residence. *Yitzchok* did not leave *Eretz Yisroel* and the *Maggid* would not travel. Each Jew, as well, has their particular place for their *Neshama* to impact.]

* Make sure all the women and girls (especially the guests) lit candles. If there aren't enough candles, don't rely that they're going to light later, rather borrow candles from a neighbor, and they should light **before** *Kiddush*.

* **Kiddush:** The order for *Kiddush* is: י"ן, קידוש, זמן (שהחיינו), סוכה – יקז"ס

* We dip the *Challah* in honey. (Salt is also placed on the table).

* In *Birchas Hamozoin* we add:

- ברוך... אשר (If one forgot but did not yet say "*Boruch*" of the next *Brocho*, then he says אשר ... ברוך. However, if he already began the next *Brocho* by saying "*Boruch*" he returns to the beginning of *Birchas Hamozoin*.)
