Reminders for *Yud Shvat* and *Shabbos Beshalach/Shira* – 5778
The day of the Histalkus of the Friediker Rebbe and
the day that the Rebbe accepted the Nesius

[May not be posted on any internet website without prior consent from the author]

**To the families of *Anash* שיחיו of the community at the EU – Brussels
and virtualcommunity@sichosonline.org**

Experience has shown that it is best if both husband and wife (and children...) review these “reminders” thoroughly so that miscommunications and last-minute panics can be avoided, and the day can be truly celebrated properly (and joyfully...)

Please post this on the refrigerator or another central location.

May we merit to hear Bosi Legani from Moshiach himself in the Bais Hamikdosh Hashlishi.

Mincha:

Perhaps an early *Mincha* should be arranged due to all the *Minhogim* connected to it.

- **Tanya**: after *Mincha* and *Bosi Legani*, learn one chapter of *Tanya*.

Throughout the Day:

- Learn *Bosi Legani* 5718 and 5738 (which are based on Chapter 8 of *Bosi Legani* 5710). All available at <http://www.basilgani.com/>

- Set aside time to discuss with your family about the Rebbe, his activities etc. (You can use the introduction to *Hayom Yom* and *Sefer Hatoldois* etc.)

- **Hiskashrus:** this is an auspicious day to devote to strengthening our *Hiskashrus* to the Rebbe (for example – see letter of 3 Tamuz 5710 etc.).
- Visit other communities and tell them about the Rebbe and his love for every Jew, *Chitas* etc.
- Visit youth clubs and tell them about the Rebbe and his love for every one of them, how he trusted each one of them and has faith in them that they will carry out their mission etc.
- **Mishnayos:** during the day learn chapters of *Mishnayos* that start with the letters of the Rebbe's name.
- During the *Yud Shvat farbrengen* the Rebbe would remind everyone about *Chitas* and *Magbis*.

**Additional – for Friday, Erev Shabbos Kodesh, Parshas Beshalach –
Shabbos Shira:**

- Give the children *Kasha* to distribute to the birds and read to them *Likutei Sichos* volume 2, page 521.
- Prepare *Shvarze Kasha* to be eaten on *Shabbos Shira*.

Shabbos Kodesh, Parshas Beshalach – Shabbos Shira:

- Depending on the circumstances – continue some of the activities above connected to *Yud Shvat*.
- Our custom is to eat *Shvarze kasha* on *Shabbos Shira*.

Riddle for Shabbos - Parshas Beshalach:

Who are the people that put out the מן (*Manna*) on Friday night (that the birds ate) and when they went to look for it on Shabbos morning it wasn't there? What is the source for this?

IY"H this year we will merit to hear the next chapter of *Bosi Legani* from Moshiach himself!!
