“Reminders” for Pesach 5786 Part 1
From Rosh Chodesh Nissan until the Second day of Chol Hamoed

May not be posted on any website, be distributed, be shared on WhatsApp groups etc. without prior consent from the author

- * Experience has shown that it is best if both husband and wife (and children...) review this each day thoroughly so that miscommunications and last-minute panics can be avoided, and *Yom Tov* can truly be celebrated joyfully.
- * All the sources are in the Hebrew section of the Reminders.
- * **Important note:** It has been stressed many times that these are **“Reminders”** to be able to see things “at a glance” and they are **not** a compilation of *Halocho*.
- * Since there are several *Halochois* that require elaboration, the format of the “Reminders” has been kept, and the additional details are included at the end of this document, in the “Laws and customs” by Rabbi Lesches, with his permission (they are all also available on the website below). They include the *Halochois* of: Thirty days before *Pesach* (what is not eaten; how to handle *Chometz*; *Maos Chitim*; *Mivtza Matzoh*; *Mechiras Chometz* etc.) - Month of *Nissan* – *Shabbos Hagadol* – Cleaning away the *Chometz* – *Koshering* (utensils and countertops etc). - *Mechiras Chometz* – *Bedikas Chometz preparations* – *Bedikas Chometz* – *Pesach and Seder preparations* - *Erev Pesach* morning; *Biur Chometz*; *Chometz* after this time; finding *Chometz* after this time; *Erev Pesach* in the afternoon; *Eiruv Tavshilin* – *Matzah - Kitniyos* – prevalent *Chumros* - Forgot to prepare *Seder* items; *Halel*; The actual *Seder* (both nights); *Yaale Veyavo in Bentching* - First day of *Pesach*: *Davening and Tefilas Tal* – First afternoon of *Pesach* - Second night and day of *Pesach* - *Erev Shabbos Chol Hamoeid* – Friday night and *Shabbos* – *V’sein Brocho* - *Ya’ale Veyovo in Davening* – *Chol Hamoied* – *Erev Shvii Shel Pesach* – *Seudas Yom Tov* both evenings - *Shvi’i Shel Pesach* day – *Acharon Shel Pesach* night – *Acharon Shel Pesach* day – *Isru Chag* -
- * Additionally, on our website, sichos.online there is a wealth of information regarding *Pesach*. I urge you to visit it before you look for the *Rov* to ask a *Shailah*.

Please post this on the refrigerator or another central location.

[May we celebrate this Pesach in the Bais Hamikdosh Hashlishi!](#)

[Rabbi Levi Y. Garelik](#)

Mechiras Chometz: Starting from Sunday 4 Nissan at 1466 Union St. (bet. Kingston and Albany avenues – basement entrance). Generally I am in the office from **4:00 pm until 8:00 pm** and Tuesday 13 Nissan from **1 to 7 pm** and (after *Bedikas chometz*) **from 10-11:30 pm**. I suggest that you WhatsApp me at the above cell number before you come (and specially if you want to come at other times). If you can’t make it in person you may do the *Mechira* on the following link <https://theonlinerabbi.com/mechiraschometz/> by filling out a form. However, the preferred method is by making a *Kinyan* with the *Rov*. I also suggest that you come with your children.

* * *

The Alter Rebbe states in his *Shulchon Oruch*, in the beginning of *Hilchois Pesach*, that 30 days prior to *Pesach* we start reviewing the *Halochois* concerning *Pesach*.

The following are only “Reminders” (part 1) - on *Sichos.online* you can find many more details. This page will also be updated on the website with more details.

During the month of Nissan (in general):

1. **Tachanun:** *Tachanun* is not recited throughout the entire month.
2. **Nossi:** From *Rosh Chodesh* until *Yud Gimmel Nissan* the *Nossi* is recited every day (generally after *Shacharis*).
3. **Brocho on Trees:** During *Chodesh Nissan* there is a special *Brocho* to be said on trees that blossom.
4. **Taanis Bechorim (Fast of the first-born):** If the household has a *Bechor*, he [or his father, if the *Bechor* is under *Bar Mitzvah*] should not forget to finish his *Masechta* to be completed by *Erev Pesach*. [As there are still three weeks left until *Erev Pesach*, there is still time to complete a small *Masechta*]. If he wasn't able to finish his own *Masechta* he can listen to a *Siyum* from the *Rov*. See all the details below in the Reminders for *Erev Pesach*.
5. **Matzo:** *Matzo* is not eaten until the *Seder*. [See below in “laws and customs” regarding giving children *machine-Kosher-L'pesach-Matzo* (which is not served on *Pesach*) or *Matzo* crackers etc. until the evening before *Erev Pesach*.]
6. **Mivtza Matzo Shmuro to acquaintances:** One of the *first Mivtzoim* of the *Rebbe* was that we should distribute *Matzo Shmuro* to friends, neighbors, doctors, etc. with whom we come in contact. **For your convenience, Tza"ch has made a service available – contact them at 718-953-1000 - and they will assist.**
7. **Ma'os Chittim:** Money is given to help others with *Pesach* needs. And also educate the children to give.
8. **Learning the Halochois:** It is customary that fathers set aside time to learn the *Halochois* of *Pesach* with their children. (They can start with the “Reminders”....)
9. **Four Questions:** Review with the children the פיר קושיות.
10. **Selling the Chometz:**
 - a. Any time after *Rosh Chodesh*, the head of the household goes to the *Rov* to appoint him to sell the *Chometz* of the home, office, summer home, etc. It is advisable/educational to take along the children. Those that for whatever reason cannot go personally to the *Rov* may do it online. A form can be found on *sichos.online*].
 - b. Those who are traveling eastward for *Pesach* [e.g., to *Europe, Eretz Yisroel*, or further east], or have *Chometz* in those parts of the world, should sell the *Chometz* at their destination or discuss this with your *Rov* who will assist you. Those living in *Europe* who are traveling to the *USA* should sell it in *Europe*. If they are already here, they should contact the *Rov*.
 - c. In any case, discuss it with the *Rov*.
 - d. The times when I will be available for *Mechiras Chometz* are above on page 1.
 - e. **Not home for Pesach:** Those who are going away for *Pesach* and are planning to sell their entire home through the *Rov* (and no one will enter their home during *Pesach*): It is advisable to discuss the details of the sale and specially regarding *Bedikas Chometz* with the *Rov* (where and when it should be performed).
11. **Renting a home: If you are renting a home for Pesach,** ensure with the owner that the utensils, oven etc. are *Kosher L'Pesach*. DO NOT rely on *Koshering Erev Pesach*....
12. **Koshering the Kitchen:** see “*koshering instructions*” at the end of this document or consult our website *sichos.online* where you will find a lot of information. If help is needed for *Koshering* the kitchen, you can contact: In *Crown Heights*: R' Shaltiel Lebovic (1888gokosher).
13. **Car:** If the car will be used on *Pesach*, arrange when the car will be cleaned thoroughly before *Pesach*.
14. **Medicines and special gluten-free diets:** Those who take medicines on a regular basis should consult with their doctor if it is necessary to do so during *Pesach*. If yes, contact the *Rov* **but please don't wait for the last minute** as many times it may take a few days for research. The same applies to gluten-free diets.
15. **Beis** (second day in) **Nissan, Yorzzeit of the Rebbe Rashab:** See *Sefer Haminhogim*, page 86, regarding the customs of a *Yom Hahilula* of a *Rebbe*.
16. **Haircuts:** Remind the men and boys to get haircuts before *Yom Tov* and not wait until *Erev Yom Tov*. It must be done before *Chatzos* of *Erev Yom Tov*. If one forgot, it may be done after *Chatzos* through a *Goy*. Therefore, don't wait until the last minute as from *Pesach* until *Erev Shavuos* it is our custom not to cut one's hair.
17. **Bedikas Chometz in the office:** If the office will be used on *Pesach*, and it will be difficult to go there on *Tuesday* night prior to *Pesach* to perform *Bedikas Chometz*, ask the *Rov* for the procedures of an “early” *Bedikas Chometz*.

Things to buy in advance:

1. **Bedikas Chometz set:** consisting of: a. a paper bag, b. a candle, c. a feather, d. a wooden spoon, e. string and f. a paper to wrap all of the above.
2. **Matzos:** Buy enough *Matzo* for the *Sedorim*, all eight days of *Pesach*, guests, etc. Don't wait for the last minute.
3. **Wine:** Buy enough wine (for the type and color of wine – see laws and customs below), for the *Sedorim*, all eight days of *Pesach*, the four cups for *Acharon Shel Pesach*, as well as for guests, etc. **Suggestion:** if you have an אינו-יהודי/ה working in the house, or are making a public *Seder* etc. buy only יין מבושל – *Mevushal* wine (unless you can have special arrangements).
4. **Haggadas:** Buy enough *Haggadas* for the parents and adults, as well as for the children **with pictures** – *per the Rebbe's instructions* (if they don't have one yet, or they haven't received one from school, etc.)
5. **Siddurim and Benchers:** We customarily do not to use on *Pesach* the same *Siddurim* and *Benchers* that have been around the house and used during the rest of the year, so it is suggested to purchase new ones (unless you already have special ones for *Pesach*).
6. **Scale:** There are those who use a (non-*Muktze*) small kitchen scale (portion control) to measure the correct amounts for the *Matzo* and *Moror*.
7. **Candles and candle-holders:** Those who use glass holders that need to be cleaned after each use should ensure that they have enough for three days: The two days of *Yom Tov* and *Shabbos*, as on *Yom Tov* there is a *Shailo* (question) regarding the removal of the washer that is stuck to the wax. (And for just in case, have some tea-lights available).
8. **Long-lasting candles** (like a *Yahrzeit Licht*): Purchase at least two or three long-lasting candles for those who do not have a gas flame lit over *Yom Tov*. You will need them in order to light the candles the second night of *Yom Tov* and Friday evening (and in case you need to light the gas for cooking). However, those who have household help should light one even if there is a gas flame lit, for sometimes the flame is inadvertently turned off.
9. **Clothes and Jewelry:** One should buy clothes and jewelry for the wife and children according to his means.
10. **Carbon monoxide detector:** Those who have the gas on for a prolonged time should ensure that they have proper ventilation and that they have a proper carbon monoxide alarm system in place. Make sure to test it a couple of days before *Yom Tov*.
11. **Vacuum cleaner bag:** To be replaced on *Erev Pesach*.

Also make sure to plan the purchases of those things that will be bought closer to *Yom Tov*, such as:

1. Fish.
2. Chicken.
3. Meat.
4. *Zeroa* (the neck of the chicken) for the *Ke'oro*.
5. Eggs.
6. Lettuce.
7. *Maror*.
8. Potatoes.
9. Onions.
10. Nuts.
11. Fruits for *Charoses*: **apples, pears, nuts**, etc. If one is using fruits from *Eretz Yisroel*, ensure they have a proper *Hechsher* that ensures that *Terumos* and *Ma'aseros* have been taken and that they are not from *Shmitah* etc.

Shabbos Hagadol, 10 Nissan, Shabbos Parshas Tzav

- a. **Haftoro:** The *Haftoro* today is the **regular** one of the *Parsha*. (This year we do not recite the special *Haftoro* of *Shabbos Hagadol* (יערבה) as it is recited **only** when *Shabbos Hagadol* occurs on *Erev Pesach*).
- b. **Drosha** (sermon): The *Rov* says a **Shabbos Hagadol Drosha**.
- c. **Haggadah:** After *Mincha* we say the *Haggadah* from "עבדים היינו" (right after the *Ma Nishtana*) until "לכפר על כל עוונותינו" (at the end of the paragraph "על אהת כמה וכמה"). The *Rebbe* would say it with the *Minyan*, while sitting at his place. On our website, there is a wonderful *shiur*, based on *Likutei Sichos* where the *Rebbe* explains beautifully why this *Shabbos* is called *Shabbos "Hagadol"* and why we say the *Haggadah* now after *Mincha* on *Shabbos Hagadol*. <http://theonlinerabbi.com/sichosonline/parshas-bo/>
- d. **Maariv:** In *Maariv* we do not recite "ויהי נועם" and "ואתה קדוש".
- e. **Kidush Levana:** If there is a visible moon, then *Kidush Levana* should be recited tonight (if it wasn't recited yet).

***Havdolo:** We recite the regular *Havdolo*. After *Havdolo* don't forget to put away the *B'somim* in the *Chometz* (as our custom is not to use *B'somim* on *Pesach*).

Sunday - Yud Alef Nissan

- a. Make all the relevant preparations for **the Rebbe's birthday**.
- b. Check your emails for programs.
- c. Don't forget that after *Shacharis*, in *Tehillim*, we will start saying the *Rebbe's* new *Kapittel* קבה.
- d. This is a day for reflection and taking on *Hachlotos Toivos*, and it is appropriate to read additional details in *Sefer Haminhogim* p. 85.

**SUNDAY - YUD ALEF NISSAN GATHERINGS FOR
MEN WOMEN AND CHILDREN
STAY TUNED**

Reminder:

- a. **Haircuts:** Remind everyone to get haircuts before *Yom Tov* and not wait until *Erev Yom Tov*. It must be done before *Chatzos* of *Erev Yom Tov*. If one forgot, it may be done after *Chatzos* only through a *Goy*. Therefore, don't wait until the last minute as from *Pesach* until *Erev Shavuot* It is our custom not to cut one's hair.
- b. **Bedikas Chometz in the office:** If the office will be used on *Pesach*, and it will be difficult to go there on Tuesday night prior to *Pesach* to perform *Bedikas Chometz*, ask the *Rov* for the procedures of an "early" *Bedikas Chometz*.

Monday night – 12 Nissan

*If one has braces, retainers, fillings or false teeth he should refrain from eating hot (or sharp) *Chometz* from now on, and ensure that cold *Chometz* does not get stuck. These items should be cleaned well. (See further concerning what must be done tomorrow night.)

Tuesday, 13 Nissan
יום ההילולא של הצמח צדק, י"ג ניסן, Yorzeit of the Tzemach Tzedek

* See *Sefer Haminhogim* page 86 regarding the customs of a *Yom Hahilula* of a *Rebbe*.

* Today, instead of the נשיא, we say from "זאת חנוכת המזבח" until "וכן עשה את המנורה" and we do not say the *Yehi Rotzon*.

Tuesday evening – Bedikas Chometz

Bedikas Chometz at (Check local calendar- For NY see last page) :

Before Bedikas Chometz ensure that the Chometz was sold!! If possible, go now and take care of it!

1. We search for the *Chometz* after *Maariv*.
2. *Chometz* that is left to be eaten tomorrow morning should be put away so that the children do not get to it.
3. The areas that are to be sold to the *goy* **should be closed off and marked and locked.**
4. We prepare:
 - a. A **bag** in which to place the *Chometz* which is found during the *Bedika*.
 - b. A **candle**.
 - c. A **wooden spoon**.
 - d. A **feather**.
 - e. A **paper** to wrap around all of the above.
 - f. **String** to tie the paper.
 - g. **10 pieces of Chometz** as follows:
 1. We take ten pieces of *Chometz*, preferably something that does not make crumbs.
 2. Each piece should be less than a *kezayis* (all together they should be at least a *Kezayis*).
 3. We wrap each one in paper or napkin, not foil, so that it should burn well.
 4. We put them out in several different places in the house.
 5. It is better to put them in the corners of the rooms rather than in the middle of the rooms.
 6. Someone should write down where each piece was placed.
5. There are those who have the custom to wash נטילת ידים before beginning the search.
6. The father should gather the members of the household next to him when he makes the *Brocho*.
7. After the *Brocho*, one should not speak until completing the *Bedika*. The search should be performed slowly and meticulously, and should begin in the room closest to where he is when reciting the *Brocho*.
8. The places that will be sold to the *goy* and are sealed for the duration of *Yom Tov* do not have to be searched.
9. The *Chometz* that is found is placed in the paper bag.
10. If one of the ten pieces is lost or misplaced, call the *Rav* after the *Bedika*.
11. After the *Bedika* say the first "*Kol Chamiro*" and then wrap the paper around the bag, the candle, the feather and the spoon, making sure that the handle of the spoon is visible and then tie it. Ensure that there is at least a *Kezayis* of *Chometz* to burn.
12. **Thank you!!!** The father should give a heartfelt "Thank you" to the mother and the children for having done such a superb job in preparing the house so nice and clean for *Pesach*.
13. If the father has not yet done *Bedikas Chometz* in the office (and it will not be sold in the *Chometz*), he should do so at this point. . It is not necessary to put out ten pieces in the office.
14. **Car:** Don't forget to do *Bedikas Chometz* in the car (if it will be used on *Pesach*). It can be done with a flashlight (and no need to put out ten pieces).

* **Vacuum cleaner bag:** Remember to empty and discard the vacuum cleaner bag.

* **Retainers, fillings and braces:** Whoever has fillings or braces should rinse their mouth with hot or warm water (hot or warm as they would usually use when having a tea or coffee). Whoever has retainers for their teeth, should also pour hot water on them (not boiling water which may ruin them).

* **Be very careful with any *Chometz* left over for the next day. It should be put out of reach of the children.**

**Wednesday, Erev Pesach, Rambam's birthday –
יום הולדתו של הרמב"ם - י"ד ניסן, ערב חג הפסח**

In the morning:

1. **Mikva.**

3. **Siyum for the Bechorim:**
 - a. All *Bechorim* (first-born) fast today unless they participate in a *Seudas Mitzva* or *Siyum*.
 - b. If the father is a *B'chor*, or he has a son younger than *Bar-Mitzva* that is the first-born to his mother or father, the father should participate in a *Siyum* and bring the child along as well (if possible).
 - c. If one wasn't able to finish his own *Masechta* he can listen to a *Siyum* from the *Rov*, which usually takes place in *Shul* after *Shacharis* of the fast day.
 - d. A boy under *Bar Mitzvah* may make a *Siyum* (for grown-ups).
 - e. For more details – see "Laws and Customs"
4. **Mechiras Chometz:** If it has not yet been done, run and take care of it
5. **Nails:** It is best to cut nails before *Chatzos* – midday: (Check local calendar- For NY see last page)
6. **Haircut:** Must be done before *Chatzos* (Check local calendar- For NY see last page). If one forgot, it may be done after *Chatzos* through a *Goy*.
7. **Eating Chometz:** Stop eating *chometz* **before:** (Check local calendar - For NY see last page)
8. **Garbage:** Remove all garbage from the house **before** (Check local calendar- For NY see last page)

Burning the Chometz:

1. **Check the pockets:** Prior to burning the *Chometz*, check the pockets of clothing and coats, especially of the children, for any *Chometz*.
2. **Ten pieces:** Burning of the *Chometz* must also be with ten pieces, therefore, if any pieces were lost during the *Bdika*, be sure to add the correct amount of pieces missing.
3. **End of the time for burning Chometz: Before** (Check local calendar- For NY see last page), after which one says the second "*Kol Chamiro*" and the "יהי רצון".

ערב חג הפסח—from after *Biur Chometz* until the evening

Rambam's birthday: We study something in honor of the *Rambam's* birthday.

* **What we do/don't eat:** We do not drink wine nor eat *Matzo*. We also don't eat any of the foods that are used for *Charoses* (apples, pears and nuts) and *Maror* until after "*Korech*" of the second *Seder*. Eggs, potatoes and chicken may be eaten. This applies to children as well.

* **Sleeping:** If possible, children should nap during the day so they will be able to be awake for the *Seder*.

*****Eiruv Tavshilin!*****

DON'T FORGET TO MAKE AN EIRUV TAVSHILIN ON EREV YOM TOV!!

For detailed instructions for the Eiruv Tavshilin – kindly go to the “Laws and Customs” section at the end of this document.

Here are just some brief points:

The *Eiruv Tavshilin* allows one to cook and light Shabbos candles on *Yom Tov* (Friday) for *Shabbos*. As follows:

1. The *Eiruv* is comprised of a whole *Matza* and a *kezayis* of a cooked item, like cooked fish or meat (or hard-boiled egg). Take the *Eiruv* in your hands and say the *Nusach* of הריני וכי' as outlined in the *Siddur*. Hand over the *Eiruv* to someone (older than *Bar Mitzva*) who is preferably not a member of the household (see details in Laws and customs below), he raises the *Eiruv*, then you take it back and recite the *Brocho* and the *Nusach* of בדין etc.
2. If someone is alone in the house, he/she may do the *Eiruv* by themselves, and just say the *Brocho* and the *Nusach* of בדין (omitting the part which is said when you hand it over to someone else).
3. If one doesn't understand the *Nusach* he should say it also with the translation.
4. Put the *Eiruv* aside until *Shabbos* when it should be eaten (see below in the *Shabbos* section when it is eaten).

Reminder: The *Eiruv Tavshilin* is not only for cooking from *Yom Tov* to *Shabbos*, but also for **lighting candles** on Friday evening. Therefore, those who will not be eating at home on *Shabbos*, should light where they will be eating. If they want to light at home, **from a pre-existing flame**, they should at least put up some water to cook for *Shabbos* (in their home) to enable them to make an *Eiruv Tavshilin*. If they are not putting up anything to cook but they would like to light candles at home (from a pre-existing flame), contact the *Rov* on *Erev Yom Tov* and ask him what to do.

Preparations for the Sedarim and the meals

1. **Roasting:** On both nights of the *Sedarim* we do not eat meat or chicken that was roasted.
2. **Checking the Lettuce:** Check the lettuce leaves for bugs and wash and dry them thoroughly.
3. **Maror (Chrein):** Grind the *Maror*. Some store it in a tightly-sealed container so it should not lose its sharpness.
4. **Charoses:** Prepare the *Charoses*, which consists of apples, pears and nuts. The *Rebbe* brings down a nice “*Siman*” from the *Ariza”I* for these ingredients: It says in the *Posuk* "הרושת אבן". **אָפּל באַרין נִיסן**. (*eppel*-apple, *baren*-pears, *nissn*-nuts). [At the *Seder*, some wine is added before the *Maror* is dipped in the *Charoses*.]
5. **Eggs:** Cook the eggs for the *Sedarim* until they are hard-boiled.
6. **Zeroa:** Roast the *Zeroa* to put on the *Ke'ara*.
7. **Saltwater:** Prepare the saltwater needed to dip the *Karpas* (and the egg).
8. **Matzos:** Open the packages and boxes of *Matzo* and make sure there are enough whole *Matzos* to use for the *Seder*.
9. **Wine:** Open the bottles of wine.
10. **Esther's Feast:** It is customary to do something for the meal of the second day of *Pesach* to remember *Esther's* feast which was on this day.
11. **Candles and candle-holders:** Those who use glass holders that need to be cleaned after each use should ensure that they have enough for two days of *Yom Tov* and *Shabbos*, as on *Yom Tov* there is a *Shailo* (question) regarding the removal of the washer that is stuck to the wax.

Preparations for Yom Tov:

1. **Nails:** It is best to cut the nails before *Chatzos* - midday (Check local calendar- For NY see last page). If one forgot, they may be cut after *Chatzos*.
2. **Shabbos Clocks:** Ensure that the *Shabbos* clocks are set for both *Sedarim* and *Shabbos*.
3. **Eiruv Chatzeiros** (in apartment buildings, two-family houses, neighbors etc.): For those who need one — don't forget to make an *Eiruv Chatzeiros* to be used for the entire year.

4. **Carbon monoxide detector:** Those who have the gas on for a prolonged time (during *Yom Tov* and *Shabbos*) should ensure that they have proper ventilation and that they have a proper carbon monoxide alarm system in place. Make sure to test it a couple of days before *Yom Tov*.
5. **Mikvah:** Men go to the *Mikvah* on *Erev Yom Tov* in honor of *Yom Tov*.

Mincha and Seder Korban Pesach

- * **Mincha:** We *Daven* earlier than usual for time is needed to say “*Seder Korban Pesach*” before *Sh’kia*.
- * **Seder Korban Pesach:** After *Mincha* and before the *Sh’kia* (sundown) one says the “*Seder Korban Pesach*”. One should read it in the proper time so the reading should be in place of the sacrifice, and one should entreat *Hashem* to rebuild the *Beis Hamikdash* speedily in our days and we should be able to bring the *Korban Pesach*, Amen!!. (See לקוטי שיחות חלק ל"ב ע' 36).

Right before Yom Tov

- * **Long-lasting candles** (like a *Yartzeit Licht*): Light the long-lasting candles for those who do not have a gas flame lit over *Yom Tov*. [Those who have household help should light one even if there is a gas flame lit, for sometimes it is inadvertently turned off by the household help].

Hadlokas Haneiros – Candle lighting eve of Pesach

1. **Tzedaka:** Give *Tzedaka* equivalent to three days: two days of *Yom Tov* and *Shabbos*.
2. Candles should be lit 18-23 minutes before sunset (*Check local calendar- For NY see last page*), just like every *Erev Shabbos*. However, if one missed the correct time they may light later but **only** from a pre-existing flame (they should light preferably right before the meal).
3. **Brochois/blessings:** The two *Brochois* said are: שההיינו and להדליק נר של יום טוב.
4. A man that lights candles does not recite the *Brocho* of *Shehecheyonu*. He recites it later in the *Kidush* (at the *Seder*).
5. **Those who are going to eat elsewhere (not at home) should not forget to light candles!** If one missed lighting candles tonight, a *Rov* should be contacted after *Yom Tov* to determine what should be done for the future.

The first evening of Pesach - before the Seder

- * **Preparing the Table:** Those at home should set the table with all the necessary items and utensils needed for the *Seder*. However, the *Ke'ara* should not be set up; the father will put it together before the *Seder* [as soon as he returns from *Shul* after *Maariv*].

Ma'ariv first evening of *Pesach*

1. *Ma'ariv* starts from *Shir Hamaalos*.
2. The *Amidah* is that of *Sholosh Regolim*.
3. **Hallel:** After the *Amida* the entire *Hallel* is recited. [Then *Kadish Tiskabel* is recited.] [“*Brocho Meain Sheva*”, *Mogein Avos* and “*Mizmor Ledavid*” are not recited – they are recited only if *Pesach* occurs on Friday night].
4. *Aleinu Leshabeach*. (Mourners say *Mishnayos* and *Kaddish*).

- * The father should ensure that the *Seder* can start as soon as possible (after *Tzeis Hakochovim*- For the times in NY see last page) before the children get tired, so they should ask the “Four Questions”, the *Ma Nishtano*.

The First Seder

- * **Minhag Beis HaRav – the custom in the Rebbe’s house:** Throughout the generations, the custom was to begin the first *Seder* immediately after *Ma'ariv*, and to eat the *Afikoman* before *Chatzos* (*Check local calendar- For NY see last page*).

- * **Nuts to the children:** Before beginning the *Seder* one should give the children nuts so they see a “change”. This will cause them to ask “*Ma Nishtano...* why is this night different”?
- * **Before Before the Seder begins: Ensure that all the women and girls (specially the guests) have lit candles.** If there are not enough candles, do not rely on lighting after the *Seder*, rather borrow candles from a neighbor so that all the women and girls can light candles before beginning the *Seder*.
- * **If one forgot to prepare any of the things to go on the Ke'arah (Zeroa, Beitza etc.)** – kindly see the “Laws and customs” below.
- * [The details concerning the *Seder* are in a different document. Also in the “Laws and Customs” below there are many details].
- * **Afikoman:** It is best to eat the *Afikoman* before *Chatzos*, (Check local calendar- For NY see last page).
- * **Mayim Acharonim:** By *Mayim Acharonim*, until the end of *Shvi'i Shel Pesach* we do not pass our fingers over our lips.
- * By “*Shfoch Chamoscho*” we go to the door with the candles.
- * **Krias Shema:** The first night of *Pesach*, In *Krias Shema* before going to sleep, we recite only the first paragraph of *Shema* (until ובשערך) and the *Bracha* of המפיל.

Thursday, 15 Nissan, the first day of Yom Tov

- * **Sof Zman** (latest time for) **Krias Sh'ma:** (Check local calendar- For NY see last page).
- * **Mikvah:** Men go to the *Mikvah*.
- * **Birchas Kohanim:** Prepare the children to attend *Shul* to hear *Birchas Kohanim* which is done at the end of *Musaf*.
- * **Hallel:** After the *Amida* of *Shacharis* for *Shalosh Regolim* the entire *Hallel* is recited. Then we recite the *Shir Shel Yom* and then we read the *Krias Hatorah* (two *Sifrei Torah*'s, and the *Haftoro*).
- * מוריד הטל:
 - In *Musaf*, after the *Gabai*'s announcement, we begin to say "מוריד הטל".
 - If one forgot and said משב הרוח ומוריד הגשם: if one remembered before saying the word *Hashem* of "מחל' המתים ה' (ברוך אתה)", he returns to "אתה גבור". However, if one remembered after saying the ה' of מחל' המתים, he returns to the beginning of the *Amida*.
 - One who is *davening* at home should estimate what time *Musaf* is said in *Shul*, and should then daven *Musaf* and say מוריד הטל.
- * **Birchas Kohanim:** at the end of *Mussaf* is *Birchas Kohanim*.
- * **Day Kiddush – first day of Yom Tov:** *Kiddush* at the start of the meal is that of *Shalosh Regolim*: אלה מועדי and אתקינו סעודתא.
- * **Birchas Hamazon:**
 - **Yaale Veyovo:** We add יעלה ויבא in *Birchas Hamazon*. If one forgot and remembered after beginning the following *Bracha* (even if he only said "ברוך") must begin *Bentching* again. However, if he remembered before beginning the next *Bracha*, he should say the text printed in the *Siddur*: "... אשר נתן...".
 - הרחמן: At the end of *Birchas Hamazon* we add "הרחמן הוא ינהילנו ליום שכולו טוב".
- * **During the first day of Yom Tov:** One is not allowed to prepare from the first day of *Yom Tov* for the next day. Therefore, one may not prepare anything for the *Seder* of tonight until after *Tzeis Hakochovim* (Check local calendar- For NY see last page).
- * **Mincha:** *Korbonois, Ashrei, Uva Letzion, Amida* of *Sholosh Regolim, Aleinu*.

**Thursday evening, The second night of Yom Tov —
First night of Sefiras Ha'Omer**

- * All preparations for the *Seder* and the *Seuda* may begin after *Tzeis Hakochovim* (nightfall): (Check local calendar- For NY see last page).

Ma'ariv of the second night of Yom Tov

1. *Tefillah* for *Shalosh Regolim*, beginning from "שיר המעלות".
2. After the *Amidah* the entire *Hallel* is recited.
3. **Sefiras Ha'Omer:** Tonight we start counting *Sefiras Ha'Omer* (יום אחד לעומר).
4. Regarding all the laws and customs for *Sefiras Haomer* kindly see “Laws and Customs” below.

The second Seder

Candle Lighting:

- a. Candles should be lit after nightfall (*Check local calendar- For NY see last page*) or preferably close to the start of the *Seder* from an existing flame.
- b. Two *Brachos* are recited: "להדליק נר של יו"ט" and "שהחיינו".
- c. If it is necessary to bring a candle from a neighbor, cover it before walking outside so the wind should not extinguish the flame.
- d. A man that lights candles does not recite the *Brocho* of *Shehecheyonu*. He recites it later in the *Kidush* (at the *Seder*).

Before the second Seder begins:

- **Sefiras Ha'omer:** Remind everyone to count *Sefiras Ha'Omer*.
- **Before the Seder begins: Ensure that all the women and girls (specially the guests) have lit candles.** If there are not enough candles, do not rely on lighting after the *Seder*, rather borrow candles from a neighbor so that all the women and girls can light candles before beginning the *Seder*.
- **Minhag Bais Harav,** throughout the generations, was to spend more time on the second night at the *Seder*. The *Rebbeim* would elaborate on the explanations of the *Haggada*, *Divrei Torah* and *His'orerus* and were not particular to eat the *Afikoman* before *Chatzos*. (See next paragraph).

After the second Seder

- Until 5731 the *Rebbe* would have the *Seudos* of *Yom Tov* on "the second floor" (of 770). After the second *Seder* (about 1:30 am) the *Rebbe* would come to the *Shul* downstairs and say several *Sichos* on the *Haggada* and sometimes also a *Maamor*. (In Teves 5731 The *Friediker Rebbe's Rebbetzin* was נסתלק and from then the *Rebbe* made the *Seder* in His home on *President street*, so there were no more *Sichos* after the second *Seder*). May we merit to hear *Maamorim* and *Sichos* this year!
- **Krias Shma:** Before going to sleep, *Krias Shma* is recited like any other *Yom Tov* (unlike last night that it was shorter).

Friday, 16 Nissan – Second day of Yom Tov – Erev Shabbos Kodesh

* **Sof Zman Krias Shma:** (*Check local calendar- For NY see last page*).

* **Mikvah:** Men go to the *Mikvah*.

* **Davening:**

- **Birchas Kohanim:** Prepare the children to attend *Birchas Kohanim* which is done at the end of *Musaf*.
- **Hallel:** After the *Amida* of *Shacharis* for *Shalosh Regolim* the entire *Hallel* is recited.
- **Birchas Kohanim:** at the end of *Mussaf* is *Birchas Kohanim*. [Then we recite *Shir Shel Yom*, we take out two *Sifrei Torah*, *Haftara* and *Musaf*].
- **Sefiras Haomer:** When I was growing up in Italy I saw a very interesting *Minhag*: At the end of *Musaf* the *Gabbai* would announce לעומר יום אחד לעומר, So anyone who may have missed *counting the Omer*, last night - can "make up".

* **The Yom Tov Seudah** (Meal):

- **Kiddush:** *Kiddush* is that for *Shalosh Regolim* and we begin from "אתקינו וכו' אלה מועדי וגו'".
- **Esther's Feast:** It is customary to mention/do something during the meal of the day to remember *Esther's* feast which was on this day.

Birchas Hamazon

- יעלה ויבא is added. If one forgot to say it – see yesterday afternoon
- הרחמן הוא ינחילנו ליום שכולו טוב" :הרחמן

* **מסכת סוטה**: We start learning **מסכת סוטה** – one page per day. Today we learn the **שער בלאט** as is explained at length in the *Sicha* of **הג השבועות תשמ"ה**.

Preparations for *Shabbos*

* Those who made an *Eiruv Tavshilin* before *Yom Tov*, should prepare all the food for *Shabbos* as early in the day as possible so that it is fully cooked and there is still time to eat the food before *Shabbos* begins. This includes the *Cholent*. If one did not make an *Eiruv Tavshilin* before *Yom Tov*, he should contact the *Rov* and ask what to do.

Mincha of Erev *Shabbos*

* In *Mincha*, **הודו** is not recited, but **פתה אליהו וידיד נפש** are recited.
 * *Korbonois, Ashrei Uvo Letzion, Amidah of Sholosh Regolim. Oleinu.*

Candle Lighting of Erev *Shabbos*

* Candles should be lit **18 (or 23) minutes before sunset** like every Friday (*Check local calendar- For NY see last page*).
 * Candles must be lit from **a pre-existing flame**.
 * We say only one *Brocho*: **להדליק נר של שבת קודש**.
 * Those that are not eating at home should make sure to light candles at home 18 (or 23) minutes before sunset or to go to their hosts home early enough to light candles 18 (or 23) minutes before Sunset. [Those who are unsure where they should light should contact the *Rov*].
 * If one missed lighting, they may NOT light later (like on *Yom Tov*), because on *Shabbos* you may not light a candle.

Friday Night – First night of *Chol Hamoed*

Kabolas Shabbos and *Maariv*:

* *Maariv* begins from **לדוד**.
 * In **לכה דודי** we say **בשמחה ובצהלה**.
 * The *Amidah* is that of *Shabbos* and **יעלה ויבא** is added. (If one forgot **ויבא** or is unsure if he said it, then, if he remembered before he said the word "ה" of "המחזיר שכינתו" then he goes back to **יעלה ויבא**. If he remembered after he started the next *Brocho* and he didn't start *Modim* he says it right there (and does not need to go back to **והחזינה**). If he remembered before he moved his feet apart – he goes back to *Retzei*. However if he finished the *Amidah* and split his feet – he needs to *Daven* the *Amidah* again.
 * After the *Amidah* we recite *Vayechulu* and continue just like every Friday night.
 * **Sefiras Haomer**: After *Borchu* we count "Two Days" to the *Omer*.

Kiddush and the Friday night meal:

1. It is a *Minhag* to use the *Matzah* of the *Eiruv Tavshilin* as **לחם משנה**, but it is not eaten until tomorrow.
2. **שלוש עלים**, **כי מלאכיו**, **אשת חיל**, **אתקינו**.
3. *Kiddush* is that of *Shabbos*.
4. Some have the *Minhag* to eat the cooked item of the *Eiruv Tavshilin* in this meal. Some eat it tomorrow.
5. During *Bentching* we add **יעלה ויבא** and **רצה**.
 [If one forgot **רצה** and/or **יעלה ויבא** and did **not** yet say **ברוך** of **הטוב והמטיב**, he says the appropriate **ברוך אשר** **נתן** which is in the *Siddur*. However, If he already said **ברוך** of **הטוב והמטיב**, then: if he forgot **רצה** he has to go back to the beginning of *Bentching*. If he forgot **יעלה ויבא** he continues *Bentching*].
6. We also add: **הרחמן הוא ינחילנו ליום שכולו שבת ומנוחה לחיי העולמים**.

Shabbos day- First day of *Chol Hamoed*

* **Mikvah**: Men go to the *Mikvah*.
 * **Sof Zman Krias Shma**: (*Check local calendar- For NY see last page*).

Shacharis:

Shacharis is like on a regular *Shabbos*, however, we add:
 1. *Yaale Veyovo* [If forgot – see Friday night above],
 2. Half *Hallel*.

3. *Krias Hatorah. Maftir. Yekum Purkan. Mi Shberach, Ashrei.*
4. *Musaf of Sholosh Regolim (with the additions of Chol Hamoed and Shabbos).*
5. *Velokachto Soles. Shesh Zechiros.*
6. **Sefiras Haomer:** When I was growing up in Italy I saw a very interesting *Minhag*: At the end of *Musaf* the *Gabbai* would announce **היום שני ימים לעומר**, so anyone who may have missed *counting the Omer* last night - can “make up”.

Kiddush and the Shabbos afternoon Meal:

1. It is a *Minhag* to use the *Matzoh* of the *Eiruv Tavshilin* as **לחם משנה**. (Some eat it in this meal and some eat it at *Seudah Shlishis*).
2. **בורא פרי הגפן** is said quietly. Then say out loud **מזמור לדוד** until **ויקדשהו** is said quietly.
3. During *Bentching* we add **רצה** and **יעלה ויבא** [If one forgot **רצה** or **יעלה ויבא** or both, see above in the Friday evening *Seuda*] and **הרחמן הוא ינחילנו ליום שכולו שבת ומנוחה לחיי העולמים**.

***Sota:** We learn **מסכתא סוטה דף ב'**

Mincha

- * *Mincha* is like a regular *Shabbos*, and we read the *Torah (Parsha Shmini)*, however *Yaale Veyovo* is added in the *Amidah*. (If one forgot – see last night in *Ma'ariv*).
- * *Tzidkoscho* is not recited.

Motzoei Shabbos – Chol Hamoed

In the *Shmone Esrei* of *Ma'ariv* (Check local calendar- For NY see last page) we add four things:

1. **מוריד הטל**: If one said **משיב הרוח** and remembered before he said **"ברוך אתה ה' מחיל המתים"** he goes back to **אתה גבור**. However, if he remembered after that - he starts the *Amidah* again. (This applies for the next thirty days).
2. **אתה חוננתנו**: If one forgot to say it and remembers after he said **"ה"** of **חונן הדעת** he doesn't go back and just says **קודש לחול** after he finishes the *Shmone Esrei* like every *Motzoei Shabbos*.
3. **ותן ברכה**: **We say ברכה ותן for the first time.**
If one mistakenly said **ותן טל ומטר לברכה** - then:
 - a. If he remembered before he finished the *Bracha*, he starts the *Bracha* again from **עלינו**.
 - b. If he reminded himself before he finished the *Amidah* he goes back to **ברך עלינו**.
 - c. However, if he finished the *Amidah* – he has to repeat it from the beginning.
4. **יעלה ויבא**: We add *Ya'ale Veyovo* in the *Shmone Esrei*.
If one mistakenly forgot to say it, then:
 - a. If he remembers before he says **"ה"** of **"המחזיר שכינתו לציון"** he says **יעלה ויבא** there and then continues.
 - b. If he already said **ה'** and remembers before he begins **מודים** - he says it there.
 - c. If he remembers before he said the second **יהיו לרצון**, he goes back to **רצה**.
 - d. If he remembers after the second **יהיו לרצון** he must repeat the *Amidah* again from the beginning.

* **Sefiras Haomer:** Tonight we count three days to the *Omer*.

* **Havdala:**

- We recite the regular *Havdala* but we do not use the *Besomim* but we do use the **נר**.
- We recite **ותן לך** quietly.

ח"י ניסן – 18 Nissan, Sunday, Second day of Chol Hamoed – the Rebbe's father, and the day of the Rebbe's Bris.

In Shacharis:

1. We don't say **לתודה** **מזמור**.
2. We add in the *Shemone Esrei*:
 - a. **מוריד הטל**: If one said **משיב הרוח** – see *Maariv* last night.
 - b. **ותן ברכה**: If one mistakenly said **ותן טל ומטר לברכה** - see *Maariv* Last night.
 - c. **יעלה ויבא**: If one forgot – see *Maariv* last night

3. Half הלל. *Shir Shel Yom* (you do not start from “*Bais Yakov*”), [*Krias Hatorah – Two Sifrei Torah. Chatzi Kadish. Hagboho. Ashrei Uvo Letzion*].
4. *Mussaf* for *Sholosh Regolim* with the additions of *Chol Hamoed*.

Sefiras Haomer: For all the laws and customs of days during **Sefiras Haomer** please see below in the “Laws and Customs” section.

During the day of *Chol Hamoed*:

***Cup of wine:** Every day of *Chol Hamoed* it is customary to drink one cup of wine (*a Reviis*) with one of the meals.

***Bentching:** יעלה ויבא is added. If one forgot and remembered only after he began ל-אבינו ...הא-ל even if he only said ברוך, he continues *Bentching*. If, however, he remembered after saying בונה ברחמיו וכו' but before he said ברוך of ל-אבינו ..הא-ל, he should say what it says in the *Siddur* "...ברוך אשר נתן..." and then continue *Bentching*.

***Sota:** We learn מוסכתא סוטה דף ג'.

***In Maariv:** *Sefiras Haomer* - Day number Four.

Part 2 of the Reminders (for the last days of Pesach), will be available next week B'ezras Hashem

THIRTY DAYS PRIOR TO PESACH

From *Purim* onward, one should learn and become fluent in the *Halachos* of *Pesach*. Since an inspiring *Pesach* is the product of diligent preparation, one should learn *Maamarim* which focus on its inner dimension.

Matzah is not eaten. However, until the end time for eating *Chometz* on *Erev Pesach*, one may eat *Matzah*-like crackers that are really *Chometz* or egg-*Matzah*. One may also eat *Matzah* balls or foods containing *Matzah* meal. One may also be lenient for children below the age of *Chinuch*.

During these days, *Chometz* should not be scattered in a manner that makes it hard to clean and remove before *Pesach*, or that could allow it to go unnoticed before *Pesach*.

One should give *Maos Chittim* so that the *Pesach* requirements (including food and clothing) of the needy are met. [For Melbourne, please donate at mjcf.com.au.]

One should participate in *Mivtza Matzah*, ensuring that every Jew has round hand-made *Shmurah Matzah* for *Pesach* (or at least for the *Seder*) and attends a *Seder*. Suitable arrangements should also be made for Jewish servicemen, as well as those in hospitals, aged-care facilities or jail.

Before *Pesach*, all children should be given the opportunity to attend a model-*Seder*. [It should be conducted in a manner that does not conflict with the respective family *Minhagim* of the children in attendance.]

Every Jew should be encouraged to sell his *Chometz*, even if there is concern that he will consume it on *Pesach*. [Of course, such a person should be educated not to use it.]

Those with travel plans should ensure that they will be able to observe *Pesach* properly without compromising any standards. One should avoid crossing the International Dateline on the return journey, so as not to impact one's *Sefiras Haomer*. [Polar flight routes can be even more problematic. Guidance should be sought from a *Rav* familiar with these matters.]

MONTH OF NISSAN

Tachnun is not recited the entire month. Similarly, *Av Harachamim* and *Tzidkosecha* are omitted each *Shabbos*.

The *Nossi* is recited each of the first twelve days of *Nissan*, followed by the *Yehi Ratzon* printed in the *Siddur*. It is recited even by a *Kohen* and *Levi*. On the thirteenth day, one

recites the passage from "*Zos Chanukas Hamizbeach*" until "*Kein Assah es Hamenorah*", but without reciting the *Yehi Ratzon*.

One may not fast during *Nissan*, except a *Chosson* and *Kallah* on their wedding day, who fast even if it falls on *Rosh Chodesh*.

During the month of *Nissan*, one recites the applicable *Brocho* upon seeing blossoming fruit trees for the first time. This *Brocho* is not recited in the Southern Hemisphere.

Haircuts may be taken only until *Erev Pesach* (see further).

SHABBOS HAGADOL (10 NISSAN)

Although the *Haftorah* of *V'arva* is not recited unless *Shabbos* coincides with *Erev Pesach*, one should nevertheless recite it along with the regular *Haftorah* when reading *Shnayim Mikrah v'Echad Targum*.

One attends a *Shabbos Hagadol Drosho* about the practical *Halachos* of *Pesach*.

After *Mincha*, the *Haggadah* is read from "*Avodim Hayinu*" until "*L'chaper Al Kol Avoinoseinu*".

On *Motzei Shabbos*, *Vihi Noam* and *V'atah Kaddosh* are **not** recited.

CLEANING AWAY THE CHOMETZ

It is improper to complain about the work and effort required in preparing for *Pesach*.

One should remember to clean or discard any *Chometz* found in the "less obvious" locations such as vacuum cleaners, brooms, mops, floor ducts, kitchen walls, car interiors (including rented cars), car seats, baby carriages, highchairs (the tray should also be lined), briefcases, pocketbooks, phones, mobile devices, computer keyboards and other devices commonly handled when eating.

Items regularly used around *Chometz* (e.g. cookbooks, *Bentchers*, *Siddurim* and *Kvorts*) must be stored with the *Chometz* that is sold for *Pesach*. *Seforim* and toys should be cleaned well or included in *Mechiras Chometz*. Some play items, such as plasticine, may contain *Chometz* and must be included in *Mechiras Chometz*.

Tablecloths or napkins should not be used if they were starched with a substance that may contain *Chometz*. One should also ensure that starched clothing does not come into contact with food.

Shabbos candlesticks should be cleaned thoroughly. If the usual candlestick tray will

be used on *Pesach*, it should be cleaned well, covered in foil, and no food should be placed on it during *Pesach*.

Rubbish bins should be thoroughly cleaned. Council bins should also be cleaned; alternatively, before the end time of *Biur Chometz*, they should be placed in the public domain for the entire *Pesach*, and the bin with its contents deemed ownerless.

New toothbrushes should be prepared for *Pesach*.

A *Rav* should be consulted regarding the use of vitamins and oral medications that may contain *Chometz*.

Pet food must be *Chometz*-free, but may contain *Kitniyos*. Cages, enclosures and feeding bowls must be thoroughly cleaned.

It is not necessary to clean behind or under heavy furniture rarely moved, as long as there are no plans to move it on *Pesach* itself. [Even if one knows for certain that there is *Chometz* there, it is included in the *Mechiras Chometz*.]

KASHERING

It is customary to avoid *Kashering* utensils where possible and instead use utensils designated exclusively for *Pesach*. [If *Kashering* is necessary, it should be done under the guidance of someone well-versed in the relevant *Halachos*.]

Dishwashers, regular ovens, continuous-cleaning ovens, toaster ovens, microwave ovens, grills and BBQs used with *Chometz* are not *Kashered* nor used for *Pesach*. A self-cleaning oven that reaches approximately 480°C/900°F may be *Kashered* by running it through a full clean cycle; the oven door and seals should be cleaned well beforehand.

For gas cooktops, the grates are *Kashered* through *Libbun Gommur* (heating until the grates glow red hot in the dark). The burners, drip trays and cooktop surface beneath the grates are *Kashered* by cleaning them thoroughly, after which *Libbun Kal* (heating the metal until the other side is hot enough to scorch paper) is performed. One way to achieve all this is by turning all the burners to the highest setting and covering the entire cooktop with a *Blech* until the grates glow red hot, by which time the other components of the cooktop will have reached the required heat for *Libbun Kal*. [Do not leave the stove unattended while *Kashering* with this method, and ensure adequate ventilation.]

For standard electric cooktops (where the burner coils are exposed), the coils are *Kashered* through *Libbun Gommur* (turning them onto the highest setting until they glow red hot), while the burners, drip trays and cooktop surface are *Kashered* by cleaning them thoroughly, after which *Libbun Kal* is performed.

If the cooktop surface cannot be *Kashered* with *Libbun Kal* (e.g. if made of glass or enamel), it may instead be covered with a durable and heat-proof covering or lining.

Cooktop knobs and backsplashes should be thoroughly cleaned and lined with foil.

Induction cooktops and electric smoothtops (where the burner coils lie beneath a flat ceramic glass surface) are not *Kashered* nor used for *Pesach*.

Fans, hoods and other areas above stoves and ovens should be cleaned and ideally covered due to the steam that circulates when cooking.

Wooden or laminate tabletops and countertops are *Kashered* by cleaning them thoroughly (including crevices) and waiting 24 hours. Then, after ensuring that the surface is thoroughly dry, one pours boiling water from a kettle that has just been removed from the heat source, ensuring that the flow of water from the kettle to the entire surface is direct and uninterrupted.

Stone countertops are *Kashered* similarly, but the boiling water is poured over an *Even Meluban* (red-hot stone) which is moved around (or right above) the entire surface as the water is poured over it. The *Even Meluban* remains effective as long as it causes the boiling water to bubble.

Metal countertops and sinks are *Kashered* with boiling water and an *Even Meluban*, in the manner described above. The water should be poured over the lowest surfaces first, before moving upward. Alternatively, they may be *Kashered* through *Libbun Kal* (blowtorching until the other side of the metal is hot enough to scorch paper).

Metal faucets and faucet handles are *Kashered* by pouring boiling water (in the manner described above for tabletops and countertops). The hot tap water should be turned on and running through the interior of the faucet at the time that the exterior is being *Kashered*. Bleach should be poured down the sink drain and onto any crevices around the sink drain. Any tap filters, aerators, strainers and sponges should be replaced.

It is customary to set aside a separate kettle exclusively for *Kashering*, ensuring it is not used with either *Chometz* or *Pesach* cooking.

If a tabletop or countertop will be damaged by *Kashering*, or is made of a material that

cannot be *Kashered*, one should cover it well instead, ensuring that no liquid is trapped beneath.

After *Kashering*, all countertops, backsplashes, tables and cooktop surfaces should be lined or covered. Sinks should also be lined or fitted with sink inserts.

A separate *Blech* and urn is used for *Pesach*.

Pantries, cupboards, shelves, fridges and freezers (defrosted first) should be thoroughly cleaned with a cleaning agent and then lined. The fridge/freezer rubber door seals should be cleaned as well, and the interior circulation vents should not be blocked to avoid damage.

🌀 MECHIRAS CHOMETZ

Mechiras Chometz is effective only if one sincerely commits to sell his *Chometz* in an unconditional and absolute sale. It is therefore customary to perform a *Kinyan* (act of acquisition) when authorizing the *Rav* to sell the *Chometz*. [However, this *Kinyan* is not an absolute requirement.]

Mechiras Chometz must occur before the end time of *Biur Chometz* on *Erev Pesach*. However, it is preferable to visit the *Rav* before the night of *Bedikas Chometz*. Practically, one should not wait until then, and instead go at the earliest opportunity.

When the householder sells the *Chometz*, his dependents (who reside with him permanently) do not need to, unless they own *Chometz* independently.

Chometz belonging to a *Shule* or public organization should be sold by the office-bearer responsible for finances.

In the sale, one includes all *Chometz* and *Chometz* utensils. Since the actual location of the *Chometz* is also leased to the non-Jew, one should list the full address of each of his personal and business properties, including common-owned properties, preferably concluding with the words "and wherever my *Chometz* may be found".

If one owns *Chometz* in a different time zone, or will be travelling to a different time zone for *Pesach*, he should inform the *Rav* of his situation for further guidance.

If one will be away from home for the entire *Pesach*: If arriving at his destination before the night of *Bedikas Chometz*, he includes his entire home in the *Mechiras Chometz*. If he will still be at home the night of *Bedikas Chometz*, he includes most of his home in *Mechiras Chometz*, but excludes a small area in which to conduct *Bedikas Chometz* (see "*Bedikas Chometz*" section).

🌀 BEDIKAS CHOMETZ PREPARATIONS

The house should be completely cleaned, the floors swept (including under beds),

and all *Chometz* removed prior to *Bedikas Chometz*.

Anything included in *Mechiras Chometz* should be securely stored away before *Bedikas Chometz*, either by placing it in a closed area such as a closet (which should be locked or clearly marked), or by completely barricading it with a sturdy *Mechitzah* at least ten *Tefachim* tall. A curtain that is easily slung aside does not suffice. [One may access these areas during *Pesach* when extremely necessary, but must avoid staying there for any length of time, and must not touch the *Chometz* nor open any boxes containing them.]

Chometz that will be eaten later in the evening or the next morning must be placed in a secure location before *Bedikas Chometz*, out of the reach of children and of rodents.

A paper bag, single-wick beeswax candle, feather and wooden spoon are prepared for *Bedikas Chometz*.

Ten pieces of bread are put out, each piece less than a *Kezayis*, but all pieces totalling at least a *Kezayis*. Each piece should be wrapped well in paper to prevent crumbs. The wrapping material must be flammable (as opposed to foil) so that the bread pieces burn properly.

A record should be kept of the pieces' locations in case any are not found during the search.

🌀 TIME OF BEDIKAS CHOMETZ

Bedikas Chometz is performed as soon as possible after *Tzeis Hakochavim* (See local calendar), and after *davening Maariv*.

From half an hour before *Tzeis Hakochavim* until after *Bedikas Chometz* (even if running late), one may not eat more than a *K'beitzah* (57 grams) of bread or *Mezonos*, drink alcoholic beverages, nap, learn *Torah*, bathe, get a haircut, work or engage in other absorbing activities unrelated to *Bedikas Chometz*.

If one began any of these activities prior to this time, he may continue them during the half hour before *Tzeis Hakochavim*, but must stop as soon as it is *Tzeis Hakochavim*.

One may begin learning during the half-hour before *Tzeis Hakochavim* only if he appoints a *Shomer* (guardian) who is not learning to remind him to perform *Bedikas Chometz* as soon as it is *Tzeis Hakochavim*. Even so, appointing a *Shomer* does not allow one to engage in the other prohibited activities.

🌀 BEDIKAS CHOMETZ

Although not a requirement, the *Alter Rebbe* records the custom of washing *Neggel Vasser* prior to *Bedikas Chometz*.

One lights the candle before reciting the *Brocho*, and holds it in his right hand during the *Brocho*, in order to begin searching as soon as the *Brocho* is finished.

After the *Brocho*, one should not speak **at all** prior to beginning the search, even about matters related to the search. If one did speak, he must repeat the *Brocho* if his words were unrelated to the search.

After one already began the search, until the conclusion of *Kol Chamiro*, one should not speak matters unrelated to *Bedikas Chometz* (unless obligatory, such as the *Brocho* over thunder and lightning). Nevertheless, if one did speak unnecessarily, he does not repeat the *Brocho*.

The search begins in a location right next to where the *Brocho* was recited, and must be conducted carefully and thoroughly.

The obligation of *Bedikas Chometz* rests with the householder. Nevertheless, he may delegate part (but preferably not all) of the search to male family members over *Bar Mitzvah*. Ideally, before spreading out, they should hear his *Brocho* and immediately begin searching in a location right next to where he recited the *Brocho*. Otherwise, they search without a *Brocho*.

The search is conducted using the light of the candle and the feather. Any *Chometz* found is placed in the paper bag.

One must carefully and meticulously search every location into which *Chometz* may have potentially been brought, even if only on occasion, and even if it has already been cleaned for *Pesach*. Even after all ten pieces are found, one must properly search the remainder of the house. However, locations included in the *Mechiras Chometz* do not need to be checked.

One should remember to search his porch, garage and vehicle during (or after) *Bedikas Chometz*.

After *Bedikas Chometz* is concluded, the bag containing the ten pieces, along with the feather and any remnant of the candle, is placed inside the hollow of the spoon. It is then all wrapped in paper, tied with string (ensuring that the spoon handle remains visible), and stored in a secure location inaccessible to children or rodents.

Afterwards, one recites "*Kol Chamiro*", ensuring that he understands its meaning. [Otherwise, he should recite it in a language he understands.]

One must also perform *Bedikas Chometz* (or appoint a *Shliach* to do so) at any other property for which he is fully or partly responsible (e.g. workplace, dormitory room, common-owned entryways and facilities rooms) if it is not being sold for *Pesach*. Ideally, this is done right after

Bedikas Chometz at home. [The *Brocho* is not recited again; one should therefore have these locations in mind when reciting the *Brocho* at home.] A person must also be delegated to perform *Bedikas Chometz* at the *Shule* and *Beis Midrash*.

If one is vacating his home for the **entire Pesach**: If he arrives at his destination before the night of *Bedikas Chometz*, he includes his entire home in the *Mechiras Chometz*, and performs *Bedikas Chometz* at his destination. [When one is guesting with a host, he may rely on the host's *Bedikas Chometz* and need not perform it himself. Alternatively, he may rent a room from the host with a valid *Kinyan* and perform *Bedikas Chometz* himself.]

If he will still be at home on the night of *Bedikas Chometz*, he should include most of his home in the *Mechiras Chometz*, but exclude a small area in which to conduct *Bedikas Chometz*. He must also perform *Bedikas Chometz* (without a *Brocho*) when he arrives at his destination, unless someone else already performed it there.

If one is away from home on the night of *Bedikas Chometz*, but will be returning on *Erev Pesach* or during *Pesach*, he must conduct *Bedikas Chometz* (including *Kol Chamiro*) the night before he leaves home, without a *Brocho*. [This is in addition to searching at the place he is staying on the night of *Bedikas Chometz*.] Alternatively, he may appoint a *Shliach* to search his home on the night of *Bedikas Chometz* with a *Brocho*; however, the homeowner must still recite *Kol Chamiro*.

🌀 PESACH AND SEDER PREPARATIONS

One should familiarize himself with all the *Halachos* associated with the *Seder*.

A clean and undamaged *Becher* (or cup) that holds at least a *Revi'is* (86ml) is prepared for every participant, both male and female. When choosing the size of the *Becher*, one should bear in mind that each of the four cups of wine is ideally consumed in one swallow.

Preferably, the *Becher* or cup should be of significant quality, such as silver or glass, as opposed to disposables.

One should prepare enough red wine to supply four cups for every participant. (White wine is not used at the *Seder* unless it is superior to all available red wines.) Since a great variety of wines are readily available in present times, including dry wines and low-alcohol wines, one should avoid grape juice if possible.

If a non-*Shomer-Shabbos* Jew or non-Jew will be present in the room during the *Seder*, the wine must be *Mevushal*.

One should prepare a sufficient supply of unbroken concave-shaped *Matzos* for the *Seder*.

The romaine lettuce should be washed and checked for bugs before *Yom Tov*. It should also be dried well so that it may be eaten together with the *Matzah* at *Koیرهch*.

The horseradish should be ground before *Yom Tov* and placed in an airtight container to retain its potency. [If, prior to purchase, the horseradish was cut with a knife whose status is unknown, the area of the cut should be removed and discarded.]

The *Charoses* should be prepared (with apples, pears and nuts) before *Yom Tov*.

Hard-boiled eggs should be prepared (but remain unpeeled) for the *Kaarah*.

Onions and salt water are prepared for the *Karpas*.

Chicken necks should be roasted for the *Zeroah*, and most (but not all) of the meat removed (this can be done at the *Seder*).

Roasted meat or poultry may not be eaten at the *Seder*, even if it was cooked **prior** to roasting. However, it may be eaten if it was cooked **after** roasting. [Liver is often just roasted, in which case it should not be eaten at the *Seder*.] Pot-roast is treated as regular roast, unless water or juice was added before cooking.

Regarding meat and other foods, one should not say, "This is for *Pesach*," since it creates the appearance of designating it for the *Korbon Pesach*. [This prohibition does not apply to the wheat used for *Matzos*.]

The *Rebbe* encouraged that children be given their own illustrated *Haggadah* to increase their excitement for the *Seder*.

Yom Tov in general, and the *Seder* in particular, is an especially appropriate time to host guests.

The *Mitzvah* of *V'Samechta B'Chagecha* entails eating meat, drinking wine and enjoying delicacies; providing new clothing or jewellery for one's wife according to his means; and giving sweets to the children. These should be arranged in advance.

🌀 EREV PESACH MORNING

One goes to *Shule* early, in order to allow ample time to eat *Chometz* after *davening*. When in *Shule*, one should clean and remove any *Chometz* in his locker.

Mizmor L'Sodah is not recited until after *Pesach*.

Every male *Bechor*, as well as every father of a *Bechor* under *Bar Mitzvah*, should attend and eat from a *Seudas Mitzvah* such as a *Siyum*, *Bris* or *Pidyon Haben*. They should not eat before partaking of the *Seudas Mitzvah*.

A *Siyum* may be made on a *Masechta* of *Gemoro* or an entire *Seder* of *Mishna*. [The *Siyum* may be made even by a child.] The usual *Kaddish D'rabanan* is recited when making the *Siyum*, and not the “*Kaddish Hagadol*” printed in the back of the *Gemoro*.

A *Bechor* (or the father of a *Bechor* under the age of *Bar Mitzvah*) who does not hear a *Siyum* must fast.

Apples, pears, nuts and *Maror* are not eaten from *Erev Pesach* until *Shulchan Orech* of the second *Seder*.

Many activities are prohibited on *Erev Pesach* after midday, including tailoring or sewing new garments, laundering, meticulous forms of writing and giving haircuts. However, one may:

- Instruct a non-Jew to do these.
- Do these himself if necessary to prevent a real financial loss.
- Mend a used vessel or garment for *Pesach* if it is damaged only slightly, or he fixes it unprofessionally. One may also do this for others without pay.

Since laundering is not permitted on *Chol Hamoied*, all laundry should be tended to before midday on *Erev Pesach*.

One should have a haircut in honour of *Pesach*. [This is also the last opportunity for haircuts until *Erev Shavuot*, the 5th of *Sivan*.] Ideally, one should take the haircut before midday. If one did not do so, he may use a non-Jewish barber after midday.

Nails are trimmed in honour of *Pesach*. [Another reason to trim them on *Erev Pesach* is because they cannot otherwise be trimmed on *Chol Hamoied*.] Ideally, they should be trimmed before midday.

On *Erev Pesach*, one should not donate blood or undergo any procedures or tests involving blood loss. [This does not apply in cases of great need, and certainly not when it is *Pikuach Nefesh*.]

🕯️ BIUR CHOMETZ

One must stop eating *Chometz* before (See local calendar), and clean his mouth. One may still benefit from *Chometz* until the end time of *Biur Chometz* (See local calendar).

Prior to the end time of *Biur Chometz*, one should:

- remove from his property all rubbish that may contain *Chometz*.
- check the pockets and cuffs of any unlaundered clothing and coats.
- seal and mark all locations included in *Mechiras Chometz*.
- clean jewellery rings, including crevices. Some have the custom to then *Kasher* them by either pouring boiling water over them, or through *Hagalah*.

One should ensure that the pieces of *Chometz* are thoroughly burned before the end time of *Biur Chometz*. [One may also burn the *Chometz* and recite *Kol Chamiro* earlier in the morning if he and his entire family have already concluded the final meal of *Chometz*.]

Flammable liquids are not recommended when burning the *Chometz*, due to the concern that they may render the *Chometz* inedible, as well as general safety concerns.

If still extant, the *Daled Minim* and/or *Hoishanos* are burned at *Biur Chometz*.

The fire is used solely for burning the *Chometz*. One should not derive any benefit from the fire.

After the *Chometz* is completely burned, but before the end time of *Biur Chometz*, one recites the second *Kol Chamiro* (and the accompanying *Yehi Ratzon*), ensuring he understands its meaning. [Otherwise, he should recite it in a language that he understands.]

One should recite *Kol Chamiro* even if he is not burning *Chometz* (e.g. a child or guest).

🕯️ CHOMETZ AFTER THIS TIME

One cannot benefit from any *Chometz*, even if it belongs to a non-Jew. [Examples include sitting on a sack of flour, enjoying the smell of *Chometz*, selling or giving *Chometz* to a non-Jew, feeding *Chometz* to an animal (even one that is ownerless), renting or lending any item to a non-Jew when it is known or clearly stated that he will use it for *Chometz*, or placing an order for *Chometz* to be delivered right after *Pesach*.]

One may not assume responsibility for any *Chometz* on *Pesach*, even if it belongs to a non-Jew. [Examples include providing a delivery service, storing it in one's property or warehouse, or relying on it as collateral for a loan.] If one accepted responsibility for such *Chometz* before *Pesach*, he must include it in *Mechiras Chometz*.

One may not touch *Chometz* throughout *Pesach*, except when destroying it. [On *Shabbos* and *Yom Tov*, there is the additional concern of *Muktzeh*.] One may also not eat at the same table as a non-Jew eating *Chometz*, even if they are not acquainted, and even if there is a *Hekker* (item serving as a reminder) in between.

One must prevent a non-Jewish employee (such as a household helper) from bringing *Chometz* onto one's premises. A non-Jew who is not an employee may enter with *Chometz* and eat it on-site, provided that one doesn't thereby assume any responsibility for the *Chometz*. One must also ensure that the non-Jew removes the *Chometz* from the premises as soon as he leaves, and the area must be cleaned.

🕯️ FINDING CHOMETZ AFTER THIS TIME

If one finds *Chometz* on *Erev Pesach* after the end time for *Biur Chometz*, on *Chol Hamoied*, or after *Pesach*, he should burn it immediately.

If one finds *Chometz* on *Yom Tov* or *Shabbos*, he should cover it immediately without moving it, as it is *Muktzeh*. It should be burned immediately after *Shabbos Chol Hamoied* if found during the first days, or immediately after *Pesach* if found during the last days. [If, for whatever reason, the *Chometz* is already in someone's hand, he should be directed to immediately flush it down the toilet.]

When burning any such *Chometz*, the *Brocho* of *Al Biur Chometz* is recited only when all the following conditions are met:

- It is definite *Chometz*.
- It belongs to him.
- It is a *Kezayis* or bigger. [If it became *Chometz* on *Pesach* itself, it does not need to be a *Kezayis*.]
- It is still *Pesach* (not before or after).
- It was not in his possession when the *Rav* sold the *Chometz*. [If it arrived later, one should still consult a *Rav*.]

If a guest mistakenly brings *Chometz* as a gift, one should intend to not acquire it, and follow the instructions above for covering and/or destroying it. [It is advisable to alert uninformed guests in advance not to bring food gifts.]

🕯️ EREV PESACH AFTERNOON

On *Erev Pesach*, it is ideal to open the packaging of all the items that will be used during *Yom Tov* (e.g. wine bottles and *Matzah* boxes).

Parents should ensure that their children nap during the day so that they are awake and alert for the *Seder*.

One immerses in a *Mikvah* after midday.

It is forbidden to begin a full meal once the tenth *Halachic* hour of the day begins (See local calendar), in order to eat the *Matzah* at night with a healthy appetite. For the same reason, wine and grape juice should not be drunk from this time. However, one may snack in small quantities that won't diminish his appetite for the *Seder*.

Prior to candle-lighting on *Erev Shabbos*, one should give *Tzedakah* for three days – the two days of *Yom Tov* and *Shabbos*.

Eruv Tavshilin is performed – see separate [Halacha Guide](#). After it is performed, the *Eruv Tavshilin* is put in a place where it will be safe until *Shabbos*.

Those who perform an annual *Eruv Chatzeiros* customarily do it before the *Shabbos* of *Pesach*, using *Shmurah Matzah*. This year, it should be done on *Erev Pesach*.

One should arrange a pre-existing flame with which to light the candles on the second and third nights of *Pesach*.

Candle-lighting is at (See local calendar). The *Brochos* are *Lehadlik Ner Shel Yom Tov* and *Shehecheyanu*. [If one incorrectly concluded *Shel Shabbos Kodesh*, but realized within the time frame it takes to say three words, she corrects her mistake. Otherwise, she must repeat the *Brocho*. If one forgot *Shehecheyanu*, she should have in mind to be *Yoitzei* during *Kiddush*.]

Since it is *Yom Tov*, if one neglected to light at the proper time, one may – and should – light candles on *Yom Tov* itself, from a pre-existing flame.

If lighting at home but conducting the *Seder* elsewhere, one must ensure that practical benefit is derived from the candles after nightfall (such as arranging for someone to have the *Seder* by its light, or lighting in a location that needs to be used and would otherwise remain dark).

When a man is required to light candles, he does not recite *Shehecheyanu*, as he will do so in *Kiddush*. [Therefore, it is best that he lights candles right before *Kiddush*, so that his *Shehecheyanu* is linked to both.]

Mincha is *davened* a little earlier than usual, in order to recite “*Seder Korban Pesach*” before sunset. [If one is late, it should still be recited after sunset.]

🌀 MATZAH

One should use *Matzah* produced from wheat, and not from other grains (such as spelt), unless there are health concerns.

Chabad custom is to use only round hand-made *Shmurah Matzah* during *Pesach*.

Egg-*Matzos* are not used on *Pesach*.

If a *Matzah* folded over during baking, or it has a large bubble, one should not eat from that area or its perimeter (at least 2cm).

Chabad custom is to not eat “*Gebrochts*” (aside from on the last day of *Pesach*). One is extremely meticulous to ensure that the *Matzah* does not become moistened.

The *Matzos* on the table should be covered to prevent liquid spilling on them, as well as to prevent *Matzah* crumbs from falling into liquids. Before pouring liquid into a vessel, one ensures that there are no *Matzah* crumbs in it.

Any vessel that came into contact with *Gebrochts* is set aside and not used until *Acharon Shel Pesach*.

During *Pesach*, one does not pass his wet hand over his lips at *Mayim Achronim*, out of the concern that there might be *Matzah* crumbs remaining on his lips.

🌀 KITNIYOS

Kitniyos (legumes) are not eaten on *Pesach*. Common examples include rice, millet, buckwheat, corn, peas, beans, lentils, sesame seeds, mustard, chickpeas, peanuts, soy and soybeans, tofu, sunflower and poppy seeds. It is best to avoid quinoa, as its status is unclear.

Kitniyos derived oils are not used, such as canola, corn, peanut, safflower, sesame, sunflower, soybean (often labelled as vegetable oil) or rapeseed (flaxseed) oils. The status of cottonseed oil is debated, but it is generally regarded as non-*Kitniyos*.

Kitniyos may be used when necessary for the sick, infirm or babies (e.g. infant formulas and nutritional supplements). However, designated utensils should be used, and they should be kept separate from the rest of the *Pesach* utensils.

One may own and derive benefit from *Kitniyos* on *Pesach* (such as to feed pets).

If *Kitniyos* **inadvertently** fell into another food item on *Pesach*, it is nullified if the mixture contains more non-*Kitniyos* than *Kitniyos*. Such a mixture can be consumed even if it has a pronounced taste of *Kitniyos*, as long as no piece of *Kitniyos* is visually discernible. Nevertheless, it is common practice not to eat any item containing even a trace of *Kitniyos*.

🌀 PREVALENT CHUMROS

The *Arizal* stressed the importance of observing *Chumros* on *Pesach*. The following practices are prevalent in *Chabad* circles, though specifics may vary from family to family:

- To peel or shell all fruits, vegetables and nuts before use.
- Not to eat leafy vegetables which can't be peeled (except romaine lettuce).
- To have a special pot exclusively for boiling eggs.
- To boil and strain sugar before *Pesach*.
- Not to eat commercially prepared foods (besides *Matzah*, wine, meat and/or oil).
- Not to use spices.
- To use coarse salt and not fine salt.
- Not to eat ginger, garlic and radishes.
- Not to use food that fell on the floor. (If peelable, one may peel it.)
- To thoroughly wash any utensil that fell on the floor, or to set it aside and not use it until the following *Pesach*.
- Not to drink any alcoholic beverages other than wine.
- Not to eat food prepared outside one's own home.
- Some refrain from dairy foods.
- Some do not drink tea or coffee.
- Some do not use potato starch.

- To cook as much as possible prior to *Pesach*, since a speck of *Chometz* that is inadvertently mixed in then becomes nullified, unlike on *Pesach* itself.

🌀 FORGOT TO PREPARE THE SEDER ITEMS

If one forgot to prepare any of the items for the *Seder*, he may prepare on the first night only what is necessary for that night, and not for the second night.

If one forgot to prepare the *Zeroah*, one may use a cooked chicken-neck instead. One may also roast a chicken-neck provided that he consumes its meat the following day (i.e. while it is still the same day of *Yom Tov*). [This is despite the fact that the *Zeroah* is generally not eaten, as explained further.]

One may not grind horseradish on *Yom Tov*. If it was not done on *Erev Yom Tov*, one may chop it finely on *Yom Tov*. Alternatively, one can suffice with romaine lettuce.

If one forgot to wash and check the romaine lettuce for bugs, it may be done as usual on *Yom Tov*.

If one forgot to prepare the *Charoses* on *Erev Yom Tov*, he may grate it on *Yom Tov* with a *Shinui*, such as by holding the grater backwards or grating directly onto the tabletop.

Salt water may be prepared as usual on *Yom Tov*.

🌀 HALLEL

The entire *Hallel* is recited on the first two nights and days of *Pesach*. Half-*Hallel* is recited on the last six days of *Pesach*.

Hallel is recited standing (unless one is feeble or infirm).

When reciting the entire *Hallel*, one may not interrupt it – other than for those things that one may respond to during the *Brochos* of *Krias Shema*. [I.e. If the *Chazzan* recites *Kedushah*, one responds *Kodosh*, *Boruch* and *Yimloch*. When the *Chazzan* says *Ha'E-I Hakodosh*, one answers *Omein*. When the *Chazzan* says *Modim*, one answers the three words *Modim Anachnu Loch*. When the *Chazzan* recites *Kaddish*, one answers *Omein Yehei Shmei* etc, and *Omein* to *d'amiran b'olmo*. One also answers *Borchu* and *Omein* when the *Brochos* are recited before and after an *Aliyah* or *Haftorah*.]

When reciting half-*Hallel*, one may respond *Omein* to any *Brocho*, but not *Boruch Hu u'Voruch Shmoi*. One may also respond to *Borchu*, *Kaddish* and *Kedushah*.

It is preferable to recite *Hallel* with the *Minyan*. If one is not up to the *Minyan*, this creates a dilemma; on the one hand it is appropriate to recite *Hallel* with the congregation (if he hasn't yet begun *Boruch*

She'omar), and on the other hand, it is appropriate to *daven* in the correct order. For this reason, the *Rebbeim* were punctilious about being up to *Hallel* when the *Minyan* recited it on *Yom Tov*.

If one forgot to recite *Hallel*, he should recite it with a *Brocho* as soon as he remembers; the night *Hallel* may be recited until dawn, and the day *Hallel* may be recited until *Tzeis Hakochavim*.

If one mistakenly recited half-*Hallel* on the first two nights or days of *Pesach*, he must repeat the entire *Hallel* (without a *Brocho*).

🕯 THE SEDER – BOTH NIGHTS

PLEASE NOTE: THE FOLLOWING IS ONLY A PARTIAL LIST OF PRACTICES RELATING TO THE SEDER; THE BASIC DETAILS ARE READILY FOUND IN THE HAGGADAH. THE REBBE RASHAB TOLD THE FRIERDIKER REBBE TO REVIEW THE INSTRUCTIONS IN THE HAGGADAH BEFORE EVERY STEP OF THE SEDER; THE REBBE DID SO VERBALLY, BUT QUIETLY.

The table should be set with the best utensils and finery, even if they are not actually needed for the *Seder*, as an expression of freedom. If possible, all *Seder* items should be ready for the men to begin arranging the *Kaarah* as soon as they arrive home.

The *Seder* should begin as soon as possible, but only after *Tzeis Hakochavim* (See local calendar).

All men and boys (at least over *Bar Mitzvah*) should have their own *Kaarah*. Each person arranges his own *Kaarah* immediately after returning from *Shule*. [When arranging his *Kaarah*, the Rebbe would quietly verbalize the instructions in the *Haggadah*.]

A cloth, plate or tray is placed under the *Kaarah*. The *Matzos* should be unbroken and concave-shaped, and positioned to resemble a receptacle. They are inserted from bottom to top, with a cloth between each of them. Another cloth is placed on top upon which the *Kaarah* items are arranged as described in the *Haggadah*.

A woman who recites her own *Kiddush* should not say *Shehecheyanu*, as she already did so at candle-lighting.

Males lean to the left when drinking the four cups of wine and when eating the *Matzah* at *Motzie-Matzah*, *Koirech* and *Tzofun*. [If one forgot to lean for the second cup of wine or at *Motzie-Matzah*, he consumes them again while leaning, without repeating the *Brocho*. One may also drink the first cup again if he forgot to lean, as long as he had in mind at the time of *Kiddush* that he might drink more wine before the second cup. For this reason, it is proper to have such an intention

during *Kiddush*. If one forgot to lean for anything else, he does not repeat it.]

One should drink red wine for each of the four cups. [White wine is not used at the *Seder* unless it is superior to all available red wines. Even then, one should add a little red wine to colour it.] If one cannot drink a full cup of wine, it may be mixed with grape juice. If even this is impossible, one may use only grape juice. [One should avoid diluting the wine or grape juice with water if possible.]

Each of the four cups should be entirely consumed without any pause. If this is not possible, one should keep any pause to an absolute minimum. At the very least, one should drink the majority of the cup, preferably in one swallow. [If even this is not possible, the barest minimum is *Rov Revi'is* (at least 44ml), preferably in one swallow. This applies only to the first three cups but not the fourth – see further.]

One may drink water or other liquids (other than wine) between the first and second cups of wine. If he intended to do so when he recited *Kiddush*, then he does not make a *Brocho*; otherwise, he recites *Shehakol*.

Children who are hungry may snack. However, if they are old enough to understand the story of *Yetzias Mitzrayim*, they should not eat any *Matzah* until after *Maggid*.

Although a *Brocho* is not recited at *Urchatz*, one must still observe all the other *Halachos* of *Netilas Yadayim*.

One dips the *Karpas* before making the *Brocho*, and should have in mind the *Maror* and *Koirech* when making the *Brocho*. One should eat less than a *Kezayis* of *Karpas*. Any remainder is not returned to the *Kaarah*.

At *Yachatz*, the *Matzah* is broken into two whilst covered in the *Kaarah*. [Ideally, the smaller piece should still be a *Kezayis*.] The larger piece is then broken into five parts, wrapped in a cloth, and placed between the pillows. [If the larger piece broke into more than five pieces, any extra pieces are not included in the *Afikomen*.] It is not our custom to “snatch” the *Afikomen*.

During *Maggid*, the *Haggadah* should be recited at a reasonable pace, joyously and in a loud voice, whilst sitting respectfully (and certainly not whilst leaning).

When the *Haggadah* instructs that the *Kaarah* be raised, our custom is to uncover the middle *Matzah* instead. Similarly, when it instructs that the *Kaarah* be removed, our custom is to cover the middle *Matzah*.

During *Hey Lachma Anya*, the stress is placed on the syllable *Bo* in the first instance of *Habo'oh* and on the syllable *Oh* in the second instance of *Habo'oh*.

After the children ask *Mah Nishtana*, everyone else – including the one leading the *Seder* – recites it quietly, starting with the prelude “*Tatte...*” (even if one’s father has already passed away).

At *V'hi She'Omdo*, the middle *Matzah* is covered before picking up the wine. At its conclusion, the cup of wine is put down before the middle *Matzah* is uncovered.

After the ten plagues, wine is also poured at each of the acronyms *Detzach Adash Be'Achav*.

One does not pause during the fourteen stanzas of *Dayenu*.

When reciting *Matzah Zu*, one holds the *Levi* and *Yisroel Matzah* by means of the cloth surrounding them. When reciting *Maror Zu*, one places his hands on the *Maror* and *Chazeres* on the *Kaarah*.

At *Lefichoch* (near the end of *Maggid*), the middle *Matzah* is covered before picking up the second cup of wine. The cup is not raised continuously from *Lefichoch* until the *Brocho* concluding *Go'al Yisroel*. Rather, it is set down for the two intervening paragraphs of *Hallelu-kah* and *Btzeis*.

One should endeavour not to speak unrelated matters from the beginning of *Motzie-Matzah* until the end of *Koirech*.

For *Motzie-Matzah*, every person with a *Kaarah* eats two *Kezaysim* of *Matzah*; one *Kezayis* of the *Kohen Matzah* and one *Kezayis* of the *Levi Matzah*. If this is too difficult, one may suffice with one *Kezayis* comprised from both of those *Matzos*. The pieces of the *Kohen* and *Levi Matzah* are eaten together, not one after the other. Those without a *Kaarah* are given a bit of the *Kohen* and *Levi Matzah*, supplemented with other *Matzah*; they need to eat only one *Kezayis* in total. [For *Motzie-Matzah*, one follows the stricter opinion that measures a *Kezayis* as 29 grams.]

The *Matzah* is not dipped into salt.

When eating *Motzie-Matzah*, as well as *Maror*, *Koirech* and *Afikomen*, one should consume them in the shortest time frame possible, ideally within four minutes.

Maror requires one *Kezayis* (combined from both horseradish and romaine lettuce). [For *Maror*, one may follow the lenient opinion that measures a *Kezayis* as approximately 19 grams.]

Wine from the bowl under the *Becher* is added to the *Charoses*. Before making the *Brocho*, one dips the *Maror* slightly and rapidly into the *Charoses* and then shakes it off. One should have the *Koirech* in mind when making the *Brocho* on the *Maror*.

Koirech consists of one *Kezayis* of the *Yisroel Matzah* and one *Kezayis* of *Maror*

(combined from both horseradish and romaine lettuce). [For both the *Matzah* and *Maror* of *Koirech*, one may follow the lenient opinion that measures a *Kezayis* as approximately 19 grams.]

To prevent the *Matzah* of *Koirech* from getting wet, the *Maror* (*Chazeres*) should not be dipped into the *Charoses*. Instead, dry *Charoses* should be sprinkled directly onto the *Maror* and then shaken off.

Shulchan Orech begins with the egg dipped in salt water. At this point, the remainder of the *Kaarah* may be removed from the table. One should not eat the *Zeroah*.

One does not lean when eating the meal. One should eat his fill, but pace himself so as to eat the *Afikomen* without feeling bloated.

One does not recite a *Brocho* when drinking wine during the meal, as it is included with the *Brocho* over the second cup of wine. One should not say *L'Chaim*, and should pace his wine intake so that it does not disturb the rest of the *Seder*.

For *Afikomen*, one eats two *Kezaysim* of *Matzah*; one to commemorate the *Korban Pesach* and the other to commemorate the *Matzah* that was eaten with it. As the *Matzah* hidden at *Yachats* is likely less than two *Kezaysim*, it should be supplemented with more *Matzah*. Those without a *Kaarah* are given a bit of the *Afikomen Matzah* supplemented with more *Matzah*.

If one finds it too hard to consume two *Kezaysim*, he may suffice with one *Kezayis*, but should stipulate that he thereby fulfills whichever commemoration is the primary one. [For *Afikomen*, one may follow the lenient opinion that measures a *Kezayis* as approximately 19 grams.]

The *Afikomen* must be eaten in one place. Therefore, one should not move from table to table, and certainly not from room to room.

We are particular about eating the *Afikomen* before midnight (See local calendar) on the first night. On the second night, the *Seder* is conducted at greater length, with greater elaboration of the *Haggadah*.

One does not eat or drink anything after the *Afikomen*, aside from the last two cups of wine. [If one decides not to finish these final cups because it is too difficult, he may not later change his mind and drink the remainder.]

The Rebbe would fill the *Kos Shel Eliyahu* himself, doing so before filling his own *Becher* for *Bentching* (even though *Sefer Haminhagim* says to do it after *Bentching*).

The householder leads the *Mezuman*. Everyone holds the third cup of wine during the first three *Brochos* of *Bentching*.

When opening the door for *Shefoch Chamoscha*, (some of) the candles are taken to the door. All the doors between the *Seder* and the public domain (or courtyard) are opened.

Those who open the door say *Shefoch Chamoscha* while standing at the door, whereas everyone else recites it whilst seated at the table. The next paragraph (*Lo Lanu*) is begun only after those at the door return.

The Rebbe *Rashab* said, "During the *Seder*, and especially when the door is opened at *Shefoch Chamoscha*, one must think that he should merit to be a *mentsch*, and then *Hashem* will help ... Don't request physical matters; ask for spiritual matters!"

During *Hallel*, the householder leads all participants in the four stanzas of *Hoidu* and *Ana Hashem* in the same responsive manner as the *Chazzan* in *Shule*.

During *Hallel Hagadol*, one thinks of the four letters of *Hashem's* name (as vowelized with a *Komatz*): The letter *Yud* during the first ten stanzas, the letter *Hey* during the next five stanzas, the letter *Vov* during the next six stanzas, and the letter *Hey* during the final five stanzas.

One must drink at least an entire *Revi'is* of the fourth cup of wine, in order to recite the *Brocho Acharona*. [As mentioned earlier, it is in any case ideal to consume the whole cup without pause.]

At the conclusion of the *Seder*, the wine from the *Kos Shel Eliyahu* is returned to the bottle while all sing *Keili Attah*. [Wine should first be added to the *Kos Shel Eliyahu* before returning it to the bottle, so that the wine in the bottle does not become *Pogum*.]

Before going to sleep on the first night of *Pesach*, one recites only the first paragraph of *Shma* and the *Brocho* of *Hamapil*. On the second night, *Krias Shma She'al Hamitah* is recited as per every *Yom Tov*.

🕯️ YA'ALEH VEYAVO IN BENTCHING

If one forgets *Ya'aleh Veyavo* in *Bentching*, but remembers before saying *Hashem's* name at the end of *Bonei Yerushalayim*, he goes back. If one remembered after that, but before beginning the next *Brocho*, he recites the relevant *Brocho* printed in the *Bentcher*. If one began even the first word (*Boruch*) of the next *Brocho*, he must begin *Bentching* again if it is one of the two required meals of *Yom Tov*, but not if it is a third optional meal, or *Chol Hamoied*.

The *Horachamon* for *Yom Tov* is recited.

🕯️ FIRST DAY: DAVENING & TEFILAS TAL

Full *Hallel* is recited, as mentioned above.

After the *Kaddish* right before *Musaf*, the *Gabbai* announces "*Morid Hatal*". From that point on, one recites "*Morid Hatal*" in *Shmoneh Esrei*.

If one heard this announcement before *davening Shacharis*, he must also recite "*Morid Hatal*" in the *Shmoneh Esrei* of *Shacharis*. [One should avoid such a situation.] This does not apply if one will be *davening Shacharis* with another *Minyan*.

One who *davens* at home without a *Minyan* should recite *Musaf* only after he estimates that the *Gabbai* has already made the announcement in *Shule*.

The *Chazzan* recites the special *Tefillah* of *Tal* during *Chazaras Hashatz*. [He does not wear a *Kittel*.] The congregation recites each paragraph that begins with *Tal* before the *Chazzan*.

If one mistakenly said "*Morid HaGeshem*":

- If one realized before saying *Hashem's* name at the end of the *Brocho*, he returns to the beginning of the *Brocho*.
- If one already concluded the *Brocho*, he must return to the beginning of *Shmoneh Esrei*.
- If one did not realize his error until the time for that *Tefillah* passed, he must *daven* the next *Tefillah* twice. [E.g. If he said "*Morid HaGeshem*" at *Shacharis*, he must recite the *Mincha Shmoneh Esrei* twice.] Between the two *Tefillos*, he should wait the span of time to walk four *Amos* (approx. two metres), and preferably, he should recite words of supplication between them.

If one is in doubt whether he said *Morid Hatal*, for the first thirty days he should assume that he did not, and after thirty days he should assume that he did.

🕯️ FIRST AFTERNOON OF PESACH

It is preferable to avoid starting the meal after the tenth *Halachic* hour begins (See local calendar), so that he has an appetite for the second *Seder*.

One may **not** perform any preparations on the first day for the second night and day of *Yom Tov*.

The *Eruv Tavshilin* does **not** allow one to prepare for *Shabbos* on Thursday.

🕯️ SECOND NIGHT AND DAY OF PESACH

The candles should be kindled with a pre-existing flame, and not before *Tzeis Hakochavim* (See local calendar). The *Brochos* are *Lehadlik Ner Shel Yom Tov* and *Shehecheyanu*. [See section "*Erev Pesach Afternoon*" for further details relevant to Candle-lighting.]

Maariv should not begin before this time, nor should tasks and preparations required

for the second night and day of *Yom Tov* be performed before this time.

Candles must not be waxed into place, nor the wicks twisted. If needed, one may remove the wax from the previous night in a way that it falls directly into the bin.

Hallel and *Sefiras Haomer* are recited at *Maariv*; see [separate Guide](#).

Chabad custom is to learn one *daf* of *Masechta Sotah* each day of *Sefiras Haomer*. On the first day, one learns the “*Sha’ar Blatt*”.

During the day meal of the second day of *Pesach*, it is appropriate to commemorate the anniversary of Esther’s feast which culminated in the hanging of Haman.

🕊️ SHABBOS PREPARATIONS

One may prepare for *Shabbos* on Friday as long as at least a *Kezayis* of the **cooked** *Eruv Tavshilin* item remains edible and accessible. If this is not the case, then one should discuss his options with a *Rav* (even if the **baked** item remains). In any case, one may complete all the stages of preparation for food that one already began preparing whilst the *Eruv Tavshilin* was present.

On Friday, preparing for *Shabbos* is only allowed if there is still enough time for guests to theoretically arrive and partake of the prepared items before *Shabbos* begins. Therefore, the *Cholent* should be fully cooked some time before *Shabbos*.

The *Eruv Tavshilin* is effective only for preparations involving food and food utensils, or other meal-related matters such as lighting candles. However, the *Eruv* is **not** effective for non-meal preparations such as rolling the *Sefer Torah* or performing an *Eruv Chatzeiros* or *Eruv Techumin*.

One may theoretically eat the *Eruv Tavshilin* once the *Shabbos* preparations are complete. However, it is preferable not to eat it until *Shabbos*.

🕊️ EREV SHABBOS CHOL HAMOIED

The candles should be kindled with a pre-existing flame at the usual eighteen minutes before sunset (See local calendar), and certainly **not** after sunset (See local calendar). The *Brocho* is recited as per a regular *Shabbos*.

Candles must not be waxed into place, nor the wicks twisted. If needed, one may remove the wax from the previous night in a way that it falls directly into the bin.

As it is *Erev Shabbos*, *Pasach Eliyahu* is recited before *Mincha*, but not *Hoidu*.

Since it is *Erev Shabbos*, one should not eat after sunset – even if one washed for

Matzah beforehand. [He may still *Bentch* after sunset, and even after *Tzeis Hakochavim*. In this instance, *Ya’aleh Veyavo* is recited, but not *Retzei*.]

🕊️ FRIDAY NIGHT AND SHABBOS

Kabbolas Shabbos begins with *Mizmor L’Dovid* and not with *L’chu Neranenuh*. In *Lecho Dodi*, we say *B’Simcha U’vetzahala*. The *Shmoneh Esrei* is the usual *Shabbos* one with *Ya’aleh Veyavo* added. After *Shmoneh Esrei*, the rest of *Maariv* is as on every *Shabbos*.

The custom to avoid *Kiddush* between the sixth and seventh hour applies as per every Friday night.

Shalom Aleichem and *Eishes Chayil* (as well as all the other selections prior to *Kiddush*) are recited in an undertone.

Kiddush is recited as on a regular *Shabbos*.

It is customary to use the *Matzah* of the *Eruv Tavshilin* as part of the *Lechem Mishnah* of both the night and day meals. It is eaten at the last meal of the day.

It appears that *Azamer Bishvachin* is not recited, even though it is Friday night.

The householder leads the *Mezuman*, as on every Friday night.

In *Bentching*, both *Retzei* and *Ya’aleh Veyavo* are recited, as well as the *Horachamon* for *Shabbos*.

At *Shacharis*, the *Shmoneh Esrei* is the usual *Shabbos* one, with *Ya’aleh Veyavo* added. Half-*Hallel* is then recited.

Before *Musaf*, *Yekum Purkan* is recited as per a regular *Shabbos*. All the additional *Shabbos* selections are mentioned in the *Musaf* for *Sholosh Regolim*. If one did not make **any** mention of *Shabbos* in the middle *Brocho*, or if he mistakenly *davened* the regular *Musaf* of *Shabbos*: If he did not yet recite the second *Yih’yu L’ratzon* (at the end of the passage of *Elokai N’tzor*), he should return to the beginning of the middle *Brocho* (i.e. *Atoh Vechartonu*). Otherwise, he must repeat *Musaf*.

The paragraph *Vlakachta Soiles* is recited before the *Shesh Zechiros*.

All the selections associated with the *Shabbos* daytime *Kiddush* until *Al Kein* are recited in an undertone.

Vihi Noam and *V’atah Kaddosh* are **not** recited on *Motzei Shabbos*.

Havdallah is recited with candles, but not with *Besomim*. *V’yiten Lecha* is recited in an undertone. A *Melave Malka* meal is conducted, as per every *Motzei Shabbos*.

🕊️ V’SEIN BROCHO

Beginning on *Motzei Shabbos*, we start reciting *V’sein Brocho*.

If one said *V’sein Tal Umotor*, but realized before *Hashem’s* name at the end of that *Brocho*, he returns to the start of the *Brocho*.

If one already concluded the *Brocho*, there is a difference between the Northern and Southern Hemispheres.

In the Southern Hemisphere:

- If one already concluded the *Brocho*, he does not go back, relying on the opinions that one may *daven* for rain during the local winter months.

In the Northern Hemisphere:

- If one already concluded the *Brocho*, he must return to the beginning of the *Brocho* of *Boreich Aleinu*, and continue from there to the end of *Shmoneh Esrei*. If he already recited (the second) *Yih’yu L’ratzon*, he must repeat the entire *Shmoneh Esrei*.
- If one did not realize his mistake until the time for that *Tefillah* has passed, he must *daven* the next *Tefillah* twice. [E.g. If one said *V’sein Tal Umotor Livrocho* during *Shacharis*, he must recite the *Shmoneh Esrei* of *Mincha* twice.] Between the two *Tefillos*, he should wait the time it takes to walk four *Amos* (approximately two metres), and preferably, he should recite words of supplication between them.
- If one said *V’sein Tal Umotor Livrocho* in *Mincha* of *Erev Shabbos*, he does not repeat the *Shmoneh Esrei* of Friday night.
- If one is in doubt whether he said *V’sein Brocho*, for the first thirty days he should assume that he did not, and after thirty days he should assume that he did.

🕊️ YA’ALEH VEYAVO IN DAVENING

If one forgets *Ya’aleh Veyavo* in *Shmoneh Esrei*, but remembers before saying *Hashem’s* name at the end of *Hamachazir Shechinasoi L’tziyon*, he goes back to recite it. If he remembers after concluding that *Brocho* but before *Modim*, he recites it at that point, without going back. If he remembers any time after that point, but before saying the second *Yih’yu L’ratzon* (at the end of *Elokai N’tzor*), he returns to the beginning of *Retzei*. If he remembers after that, *Shmoneh Esrei* is repeated.

If one is unsure whether he recited *Ya’aleh Veyavo*, *Shmoneh Esrei* is repeated.

If one forgot *Ya’aleh Veyavo* during *Shacharis*, and only realised after *Musaf*, he does not repeat *Shacharis*.

If one forgot *Ya’aleh Veyavo* during *Mincha* or *Maariv* and only realized after the *Zman Tefillah* has passed, he must recite an additional *Shmoneh Esrei* in the next

Tefillah, as compensation. Between the two *Tefillos*, he should wait the time it takes to walk four *Amos* (approximately two metres), and preferably, he should recite words of supplication between them.

🕊️ CHOL HAMOIED

Mizmor L'Sodah is not recited during *Pesach*.

Half-*Hallel* is recited during *Chol Hamoied* as well as on the last days of *Pesach*.

On *Chol Hamoied*:

- One wears *Shabbos* clothing.
- One washes for *Matzah*, eats meat and drinks (a *Revi's* of) wine every day.
- One allocates more time for learning. In association with *Yom Tov*, the Rebbe encouraged all to participate in a *Kinus Torah*.

Many activities are prohibited during *Chol Hamoied*, including (but not limited to) business activity, trade, moving homes, gardening, sewing, laundering (except for the clothing of children who frequently soil themselves, and only as required), preparing food for after *Yom Tov*, cutting nails (unless they were cut on *Erev Pesach* as well) and taking haircuts. Similarly, one may not instruct a non-Jew to perform these activities for him.

For the sake of *Chol Hamoied* or the last days of *Yom Tov*, one may professionally repair any item which is directly involved in food preparation (e.g. oven or fridge), or which provides direct bodily benefit (e.g. plumbing, electricity or air-conditioning), provided that it wasn't practical to fix before *Yom Tov* (e.g. it broke on *Yom Tov*).

One should avoid writing. If it cannot be deferred until after *Chol Hamoied*, one should write with a *Shinui*. Calligraphy and artistic drawing or painting are prohibited.

Unless needed for *Yom Tov*, one should not shop for utensils, appliances or clothing. [One may be lenient if the item is significantly discounted and cannot be purchased later for a similar price.]

If an employee's job involves activities that are not performed on *Chol Hamoied*, he should arrange to take leave, unless his absence will jeopardise his employment.

Routine medical exams that can easily wait should not be scheduled for *Chol Hamoied*.

One who goes fruit-picking or fishing on *Chol Hamoied* may collect only that which will be used during the remainder of *Chol Hamoied* or on the last days of *Yom Tov*.

One who goes to a farm or zoo may not feed animals *Chometz*, even if neither the animal nor the *Chometz* belongs to him. [One

should remember the *Brocho* of *Meshane Habriyos* at the zoo when applicable.]

🕊️ EREV SHVI'I SHEL PESACH

Just like on *Erev Shabbos*, it is preferable to avoid starting a proper meal once the tenth *Halachic* hour of the day begins (See local calendar), in order to properly enjoy the *Yom Tov* meal at night. However, one may snack in small quantities.

One immerses in a *Mikvah* after midday.

Prior to candle-lighting, one should give *Tzedakah* for the two days of *Yom Tov*.

One should arrange a pre-existing flame with which to light the candles on *Acharon Shel Pesach*.

Candle-lighting is at (See local calendar). The *Brocho* of *Lehadlik Ner Shel Yom Tov* is recited, but *Shehecheyanu* is **not** recited. [If one incorrectly concluded *Shel Shabbos Kodesh*, but realized within the time frame it takes to say three words, she corrects her mistake. Otherwise, she must repeat the *Brocho*.]

Since it is *Yom Tov*, if one neglected to light at the proper time, one may – and should – light candles on *Yom Tov* itself, from a pre-existing flame.

If lighting at home but eating the *Seudah* elsewhere, one must ensure that practical benefit is derived from the candles after nightfall (such as arranging for someone to eat by its light, or lighting in a location that needs to be used and would otherwise remain dark).

🕊️ SEUDAS YOM TOV – BOTH EVENINGS

The joy of *Shvi'i* and *Acharon Shel Pesach* is greater than the rest of *Pesach*.

In *Kiddush*, *Shehecheyanu* is **not** recited.

One drinks (a *Revi's* of) wine every day of *Pesach*. This should be paid special attention by those who do not make their own *Kiddush*.

One remains awake and learns the entire night of *Shvi'i Shel Pesach*. [It is appropriate to learn the *Maamar* entitled *Hayom Ro'oh* and/or *V'heynef* (in *Likutei Torah*).]

🕊️ SHVI'I SHEL PESACH – DAY

The congregation stands and faces the *Sefer Torah* while the *Shirah* is read.

It is preferable to avoid starting the meal after the tenth *Halachic* hour begins (See local calendar), in order to enjoy the meal on *Acharon Shel Pesach* night.

One may **not** perform any preparations on *Shvi'i Shel Pesach* for the night and day of *Acharon Shel Pesach*.

The Rebbe instituted the custom of *Tahalucha*, directing all *Chassidim* to visit community *Shules* and enhance their

Simchas Yom Tov by sharing words of *Torah* (both *Nigleh* and *Chassidus*), and to inspire them to conduct a *Seudas Moshiach* on the last day of *Pesach*.

🕊️ ACHARON SHEL PESACH – NIGHT

The candles should be kindled with a pre-existing flame, and not before *Tzeis Hakochavim* (See local calendar). The *Brocho* of *Lehadlik Ner Shel Yom Tov* is recited, but *Shehecheyanu* is **not** recited.

Maariv (and *Kiddush*) should not begin before this time, nor should tasks and preparations required for *Acharon Shel Pesach* be performed before this time.

Candles must not be waxed into place, nor the wicks twisted. If needed, one may remove the wax from the previous night in a way that it falls directly into the bin.

Gebrochts are eaten in every meal of *Acharon Shel Pesach*, and we emphasize mixing the *Matzah* with the various food courses and drinks.

One once again passes his wet hand over his lips at *Mayim Achronim*.

The *Brocho* for *Kneidlach* is *Mezonos*.

🕊️ ACHARON SHEL PESACH – DAY

Yizkor is recited before *Musaf*. Those who leave the *Shule* for *Yizkor* may recite "*Av Harachamim*" after *Yizkor* if they wish to.

After *Mincha* and before sunset (See local calendar), we wash for *Matzah* and participate in a *Seudas Moshiach*, including four full cups of wine. The *Nigunim* of the *Rebbeim* (and the *Daled Bavos*) are sung.

Every Jew should be encouraged to take part in *Seudas Moshiach*.

One may technically eat *Chometz* during the *Seudas Moshiach* after *Tzeis Hakochavim*.

During *Bentching*, *Ya'aleh Veyavo* (and *Horachamon*) is recited, even if it is already after *Tzeis Hakochavim* (See local calendar).

On *Motzei Pesach*, *Havdalah* is recited without *Besomim* and candles. *V'Yiten Lecha* is not recited.

🕊️ ISRU CHAG

One should wait a short period of time after *Pesach* before eating *Chometz*, in order to allow time for the *Rav* to repurchase the *Chometz*.

One may not eat or benefit from *Chometz* that was owned by a Jew on *Pesach*; it must be destroyed. Therefore, one should not purchase *Chometz* at a store owned by a non-observant Jew or manufactured by a company owned by a non-observant Jew, unless he is certain that it was stocked or manufactured after *Pesach*.

Isru Chag is celebrated with additional food items.

For more about *Sefiras Haomer* and the *Sefirah* period, see [separate Guide](#).

בס"ד Laws & Customs: Eruv Tavshilin

For First Days of Pesach 5786

According to Minhag Chabad

Comments or questions: rabbi@youngyeshivah.com.au

WHO?

The head of the household performs *Eruv Tavshilin*. Those residing with him are automatically included in his *Eruv Tavshilin*. Married children and guests – who are both eating and sleeping over – are also included in the *Eruv Tavshilin*.

If necessary, one may appoint a *Shliach* to set aside (the *Meshaleach's*) food and perform an *Eruv* with it. The *Shliach* performs the *Eruv* with a *Brocho*.

If the head of the household is not home for *Yom Tov*, one of the other family members should do *Eruv Tavshilin* instead. [The head of the household may not rely on this *Eruv Tavshilin*, since he is not spending *Yom Tov* at home.]

If one will be eating all *Shabbos* meals elsewhere but sleeping in his own dwelling, he may need to light *Shabbos* candles (depending on the circumstances). In this case, he should perform *Eruv Tavshilin* with a *Brocho*, even if he is not planning to prepare any other food items on Friday for *Shabbos*, so that *Shabbos* candles may be lit on the second day of *Yom Tov*.

WHEN?

One should set a reminder to perform *Eruv Tavshilin* and also remind others to perform it.

Eruv Tavshilin should be performed on *Erev Yom Tov* and not before. [If the *Eruv* was performed prior to *Erev Yom Tov* and is still extant, one should redo the *Eruv* on *Erev Yom Tov*, but without a *Brocho*.]

Eruv Tavshilin may be performed any time until sunset. If one forgot, *Eruv Tavshilin* may still be performed until *Tzeis Hakochavim* (provided that both the majority of the community as well as the individual making the *Eruv* did not yet begin *davening Maariv* or accept *Yom Tov*).

If one is running late, and making an *Eruv Tavshilin* will prevent him from *davening Mincha* until it is too late, *Mincha* takes precedence.

If one forgot *Eruv Tavshilin* until after *Tzeis Hakochavim*, he should consult with a *Rav* as soon as possible, as the solution depends on the circumstances (and options diminish the longer one waits).

WHAT?

The *Eruv Tavshilin* consists of a baked item and a cooked item. [After the fact, a cooked

item alone is deemed sufficient, but a baked item alone is not.]

The baked item should ideally be a complete *Matzah*, so that it may be used for *Lechem Mishnah* on *Shabbos*.

The baked item must equal a *K'beitzah* or more. [A *K'beitzah* is a measurement of volume equal to the displacement of 57 millilitres of water. In practice, anything less dense than water weighing 57 grams is most certainly more than a *K'beitzah*.]

The cooked item should be a respectable food (e.g. fish or meat). It may either be fully cooked, roasted, smoked or stewed. It may also be a non-cooked item that was pickled for at least 24 hours.

The cooked item must equal a *Kezayis* or more, excluding the bones or other inedible parts. [A *Kezayis* is a measurement of volume. For the purposes of *Eruv* we are lenient, and rely on the opinions who define it as the displacement of 19 millilitres of water. In practice, anything less dense than water weighing 19 grams is most certainly more than a *Kezayis*.]

The cooked item must be the type of food that is commonly served as a main dish during a meal, to the exclusion of desserts or compote, and the like.

If one uses a hard-boiled egg, it should not be peeled until it is ready to be eaten on *Shabbos*. [If one peeled it on *Yom Tov*, he may still rely on it for *Eruv Tavshilin*.]

One may freeze the *Eruv Tavshilin* at any time, as it is still inherently edible.

HOW?

The first step of *Eruv Tavshilin* is to give the food items to someone else, so that he can be *Zoiche* (acquire) the food on behalf of anyone outside of the household who may need to participate. One should not use the services of his wife or unmarried children for this task, unless there is no alternative.

The one making the *Eruv Tavshilin* hands the food items over to the *Zoiche* and says:

אני מזכה לך לך מי שרוצה לזכות ולסמוך על ערוב זה:

If he does not understand the Hebrew, he should say it in English. [I hereby grant a share in this *eruv* to anyone who wishes to participate in it and to depend on it.]

At this point, the *Zoiche* takes complete hold of the food and raises it one *Tefach* (8 cm), and then returns it to the one making the *Eruv Tavshilin*.

The one making the *Eruv Tavshilin* holds the baked and cooked food items in his right hand, and recites the *Brocho* and associated declaration:

ברוך אתה ה' אלדינו מלך העולם, אשר קדשנו במצותיו, וצונו על מצות ערוב: בדין יהי שרא לנא לאפוי ולבשולי ולאטמוני ולאדלוקי שרגא ולתקנא ולמעבד קל-צרכנא מיזמא טבא לשבתא לנא ולכל-ישראל הדרים בעיר הזאת:

One must understand the *Eruv Tavshilin* declaration. If he does not understand the Hebrew text, he should say it in English. [Through this (*eruv*) it shall be permissible for us to bake, cook, put away a dish (to preserve its heat), kindle a light, prepare, and do on the holiday all that is necessary for *Shabbos* – for us and for all the Israelites who dwell in this city.]

Care should be taken to say the recitation as stated, as certain changes invalidate it.

Afterwards, the *Eruv Tavshilin* is put in a place where it will be safe until *Shabbos*.

ON YOM TOV AND SHABBOS

The *Eruv Tavshilin* does **not** allow one to prepare for *Shabbos* on Thursday.

One may prepare for *Shabbos* on Friday as long as at least a *Kezayis* of the **cooked** *Eruv Tavshilin* item remains edible and accessible. If this is not the case, then one should discuss his options with a *Rav* (even if the **baked** item remains). In any case, one may complete all the stages of preparation for food that one already began preparing whilst the *Eruv Tavshilin* was present.

On Friday, preparing for *Shabbos* is only allowed if there is still enough time for guests to theoretically arrive and partake of the prepared items before *Shabbos* begins. Therefore, the *Cholent* should be fully cooked some time before *Shabbos*.

The *Eruv Tavshilin* is effective only for preparations involving food and food utensils, or other meal-related matters such as lighting candles. The *Eruv* is **not** effective for non-meal preparations such as rolling the *Sefer Torah* or performing an *Eruv Chatzeiros* or *Eruv Techumin*.

One may theoretically eat the *Eruv Tavshilin* once the *Shabbos* preparations are complete. However, it is preferable not to eat it until *Shabbos*.

It is customary to use the *Matzah* of the *Eruv Tavshilin* as part of the *Lechem Mishnah* of both the night and day meals, and to eat it during the final meal of the day.
